Developing your 30-Second Commercial

Why develop a 30-second commercial?

- You come across more poised and confident simply by opening with your commercial.
- Your commercial makes the listener aware (in a brief amount of time) of your specific, unique, and impressive attributes that you can bring to the position.

When should I use my 30-second commercial?

- During your INTERVIEW. Your commercial can help you answer questions such as: "Tell me about yourself" "What are your greatest strengths?" and "What can you bring to this position?"
- In a COVER LETTER. Your commercial can highlight your background and key abilities.
- At PROFESSIONAL, SOCIAL, or ORGANIZATIONAL meetings. Use your commercial to introduce yourself and network with others.

Your commercial should:

I am looking forward to...

- Use concise and clear language that is not overly detailed.
- Sell your professional abilities and experience.
- Emphasize your strengths and link them to the needs of the employer.
- Use descriptive statements or specific examples of your acquired skills and abilities.
- State the kind of position you are seeking.
