 - IV. STATE RESPONSIBILITY AREA FIRE FEES - CURRENT AND PROPOSED – Rui Chuna, Placer County Office of Emergency Services**
 - California will collect an annual “fire prevention fee” from property owners in areas where the state has responsibility for providing fire protection.
 - AB 29 is a fire prevention fee, not fire protection fee.
 - The “State Responsibility Area” (SRA) in Placer County starts at Highway 65 and encompasses everything to the east, excluding city limits.
 - The Board of Forestry and Fire Protection, on August 22, 2011, approved a maximum \$90.00 fee per habitable structure in extreme fire zones, and a \$70.00 fee per habitable structure in other areas of the SRA.
 - V. UPDATE ON THE STATUS OF THE PROPOSED TEMPORARY AGRICULTURAL EVENT ZONING TEXT AMENDMENT – Josh Huntsinger**
 - Since the November 8, 2010 Agriculture Commission meeting, when the Commission recommend approval of the proposed changes to the Temporary Outdoor Event section of the County Zoning Ordinance, there has been no formal recommendation or proposal from the Planning Commission to the Board of Supervisors.
 - The main concerns are the per site fee, and that farmers do not have a clear cut process. It has been suggested to approach the Board of Supervisors for fee relief.
