## **RULE 603 ANALYSIS FEE**

Adopted 05-24-77 (Amended 10-15-79, 06-07-83, 10-19-93, 08-08-96)

This Rule is applicable to the Lake Tahoe, Sacramento Valley, and Mountain Counties Air Basin portions of the District.

A. Whenever the Air Pollution Control Officer finds that an analysis of the emission from any source is necessary to determine the extent and amount of pollutants being discharged into the atmosphere which cannot be determined by visual observation, he may offer the collection of samples and the analyses made by qualified personnel of the Air Pollution Control District. The time required for collecting samples, making the analysis and preparing the necessary reports, but excluding time going to and from such premises shall be charged against the owner or operator of said premises in a reasonable sum to be determined by the Air Pollution Control Officer, which said sum is not to exceed the actual cost of such work.
