IMPORTANT FINAL INSPECTION INFORMATION

Final inspections and/or certificates of occupancy will not be performed or issued without approvals of all appropriate County Departments and the Fire Departments/District or other Departments/Agencies as appropriate.

To find out if you have open departments that have not signed off or approved your project, go to our website at:

http://www.placer.ca.gov/Departments/CommunityDevelopment/Building.aspx

Then click on the Lookup Permits button (track permits on line) above the Update post-itnote. Then click on "Permit Information" at the top of the Main Menu and enter your permit number or address. Then click on the search button.

Click on the Conditions of Approval tab to see which departments have not signed off or approved the permit.
