RE: Amazing Facts Detention Pond Spillway Improvement Project, Rocklin

Dear Neal Neuenschwander

Thank you for your letter dated June 29, 2011 seeking information regarding the proposed Amazing Facts Detention Pond Spillway Improvement Project located in Rocklin CA. Based on the information provided, the Shingle Springs Band of Miwok Indians is not aware of any known cultural resources on this site. However, SSR would like to have continued consultation through updates, as the project progresses this will foster a greater communication between the Tribe and your agency.

If during the progress of the project new information or human remains are found we would like to be able to go over our process with you that we currently have in place to protect such important and sacred artifacts (especially near rivers and streams).

Please contact the following individuals if such finds are made:

Mr. Daniel Fonseca, Director and Most Likely Descendant (MLD) Office: (530) 676-8010, dfonseca@ssband.org

And copy all communications to:

Crystal Dilworth, Office Coordinator cadilworth@ssband.org Office (530) 698-1471

Thank you for providing us with this notice and opportunity to comment.

Sincerely,

Daniel Fonseca **Assistant Director**
