

West Shore Plan Area Community Center District

The purpose of the West Shore Plan Area Community Center District is to provide central community gathering places where residents and visitors can enjoy a range of small-scale commercial, retail, service, and tourist accommodation uses in a forested, alpine atmosphere and serene, walkable environment with a small town feel. The purpose of the district is to also encourage a mix of uses that promotes convenience, economic vitality, and a pleasant quality of life with improved access to recreational activities.
