

# SQUAW VALLEY PARK

## SOCCER FIELD

### RESERVATIONS AND USE POLICY

*(Effective Spring 2010 Opening)*

The soccer field at Squaw Valley Park has proved very popular and it is intended that everyone is welcome and should have the ability to use the field most any time.

Reservations can be made by calling the Placer County Parks Secretary at (530) 886-4901. You may also check for field availability or view your reservation by visiting the Placer County web site at <http://www.placer.ca.gov>, click on the "Fun in Placer County" tab and then the "Parks Calendars" tab.

Despite reserved time slots, all participants have agreed to share the field, as much as possible, with anyone wishing to play. The only exception is if there is a refereed game in progress. Do not hesitate to ask those using the field if you can share.
