PREAMBLE

This Memorandum of Understanding (MOU) is between the County of Placer (“County”) and the Placer Public Employees Organization (“PPEO”). This MOU is intended to include those collectively bargained agreements that have been ratified by PPEO bargaining units and formally approved by the Placer County Board of Supervisors.

TERM OF AGREEMENT

This agreement shall be in force July 1, 2017, to June 30, 2022.

ARTICLE 1 – UNION RECOGNITION

1.01 – RECOGNITION

Recognition is granted to PPEO as the sole and exclusive bargaining agent of all regular permanent or probationary employees of the PPEO General and Professional Bargaining Units, for the purposes of collective bargaining and the handling of all matters within the scope of this agreement. The County agrees to bargain only with duly authorized representatives of PPEO.

ARTICLE 2 – AGENCY SHOP

2.01 – AGENCY SHOP INTRODUCTION

PPEO Professional and General bargaining units are covered by a Modified Agency Shop that requires all new employees to become a member or pay an Agency Fee.

2.02 – INDEMNITY

The PPEO and Stationary Engineers Local 39, agree that Stationary Engineers Local 39 will indemnify and hold harmless the County and all officials, employees and agents acting on its behalf, from any and all claims, actions, damages, costs of expenses including all attorney fees and costs of defense on actions against the County, its officials, employees or agents arising out of the County's compliance with this policy.

2.03 – VALIDITY

If any portion of this Article is held to be invalid under Federal or State law, then that portion of this Article shall be null and void and subject to renegotiation.

2.04 – AGENCY SHOP

- a. A probationary or permanent employee who is employed in a classification covered by the PPEO MOU provision shall, as a condition of employment, be governed by the following agency shop provisions:

1. **Grandfathered Employees.** A probationary or permanent employee who is employed on or before August 23, 1991, and had duly authorized membership dues deductions in effect, shall maintain said dues deduction and PPEO membership for the term of the MOU. However, an employee may revoke said membership and authorization for dues deduction in writing and directed to the Auditor-Controller, Payroll Division during the last thirty (30) calendar days of the MOU. Said revocation shall take effect beginning the first day of the next full pay period following expiration of the MOU. The County shall provide PPEO with a listing of those who have terminated dues deduction.
2. **New Employees.** Bargaining unit employees hired after August 23, 1991, shall as a condition of employment authorize payroll deductions for one of the following: PPEO Membership Dues, an Agency Fee ("fair share fee"), or a charitable contribution equal to the Agency Fee (upon receipt of a written statement from a bona fide / recognized religious organization which has as part of its canons or principles the objection to union support. Said charity to be a non-religious, non-labor charitable organization that meets the IRS 501(c) (3) exemption from taxation requirement.
 - i. An employee who opts for PPEO membership dues shall not be permitted to change or terminate such deduction. At any time with proper authorization, an employee who opted for an Agency Fee shall be permitted to change to PPEO membership dues. An employee who opted for a charitable contribution shall be permitted to change to an Agency fee or PPEO membership dues. The County agrees to make a good faith effort to advise PPEO, within ten (10) working days of commencement of employment, of all new employees.

2.05 – THE AGENCY FEE

The Agency Fee ("fair share fee") compensates PPEO for its representational services and shall be in an amount equal to the monthly periodic dues of the regular membership, less costs which are not related to the administration of the collective bargaining agreement and the representation of employees. Under no circumstances shall expenditures inconsistent with applicable law be included in any way in the calculation or determination of the agency fee. For this purpose the parties intend to follow the requirements of *Lehnert vs. Ferris Faculty Association*, *Abood v. Detroit Board of Education* and *Hudson vs. Chicago Teachers Union*.

2.06 – OBJECTION TO AGENCY FEE

An employee who is subject to the payment of an agency fee shall have the right to object to any part of that fee payable by him or her which is claimed to represent the employee's additional pro rata share of expenditures by PPEO that is in aid of activities or causes of a partisan political or ideological nature, or that is applied towards the cost of benefits available only to members of the union, or that is utilized for expenditures that are not necessarily or reasonably incurred for the purpose of performing the duties incident to meeting and conferring or administering the MOU. Prior to an employee having any obligation to pay an agency fee hereunder, PPEO must have given sufficient financial information to such employees to allow them to gauge the propriety of the agency fee. This information must be updated by PPEO and provided to employees and the County at least annually. The financial information must itemize and

adequately describe all categories of expenses, and the information must be verified as complete and accurate by a qualified independent auditor. The information must cover local expenditures as well as any uses made by county, state, national and international organizations with which PPEO is directly or indirectly affiliated and to whom PPEO transmits a portion of its dues and/or agency fee funds. PPEO shall make available, at its expense, an expeditious administrative appeals procedure to employees who object to the payment of any portion of the agency fee. Such procedure shall provide for a prompt decision to be made by an impartial decision-maker jointly selected by PPEO and the objecting employee(s). A copy of such procedure shall be made available by PPEO to PPEO member employees and the County.

2.07 – AGENCY FEE WHEN ON UNPAID LEAVE

No employee covered by this provision shall be required to pay any dues, fees or charitable contributions during an unpaid leave of absence of thirty (30) days duration or longer, if said employee is on leave due to the exhaustion of all paid leave benefits for which the employee is eligible.

2.08 – SIGNUP FORMS

Signup forms for PPEO Dues and the Agency Fee shall be provided by PPEO and approved by the County.

ARTICLE 3 – UNION RIGHTS

3.01 – PERSONNEL FILE – EMPLOYEE REVIEW

- a. Every appointing authority shall, at reasonable times, upon the request of an employee, permit that employee to inspect such employee's official personnel file in the Human Resources Department in accordance with the provisions of Labor Code Section 1198.5.
- b. **Performance Appraisals.** The provisions of this section shall be applicable to performance appraisals, provided, however, that such right to read, sign and file written response shall be applicable to both favorable and unfavorable entries. Employees shall have the right to petition the Human Resources Director to have letters of reprimand removed from their file after three (3) years and suspensions of five (5) days or less removed from their file after five (5) years following the date of the action if no subsequent discipline has occurred.

3.02 – EMPLOYEE ORIENTATION

PPEO's Business Representatives and/or Board Officer shall be given the opportunity to make a membership presentation at the County's regularly scheduled new employee orientation sessions.

3.03 – INTER-OFFICE MAIL

Recognized employee organizations shall be authorized to use county inter-departmental mail for routine correspondence and for distribution of material authorized to be posted on appropriate

bulletin boards provided, however, that such mail shall not be used for the distribution of employee material pertaining to a major labor dispute such as a strike, by whatever euphemism known.

3.04 – TIME OFF FOR UNION BUSINESS – PAYROLL GUIDELINES

- a. **Grievance.** Article III – Administration, Section 14 of the County’s Employer-Employee Relations Policy (EERP) states “With respect to participating in a grievance process pursuant to Local Law, or valid and applicable state or federal law, any grievant, or group of employees having a common grievance, may use no more than one-half (1/2) hour of a working shift for the preparation of a grievance.”
 1. Employees are to use the TRC code “UBH” for time spent in these sessions up to the maximum allowed. Any changes to this coding will be communicated to employees.
 2. Time spent in excess of the maximum should not be entered onto the employee’s time sheet as “UBH”. Instead the employee should request leave time, and obtain approval for such, in advance of the meeting or utilize off business hours for these meetings.
- b. **Union Negotiations.** The Meyers-Miliias-Brown Act states: “Public agencies shall allow a reasonable number of public agency employee representatives of recognized employee organizations reasonable time off without loss of compensation or other benefits when formally meeting and conferring with representatives of the public agency on matters within the scope of representation.” The County’s EERP indicates that no more than three (3) advisors would attend the meet and confer meeting unless mutually agreed upon by all parties.
 1. All of the attendees will be identified by PPEO at the first meet-and-confer session (name, title, and department).
 2. Upon mutual agreement as to the number of PPEO members that will participate in these sessions, the County will notify the employee’s department, payroll units of their participation and the scheduled dates of the meetings.
 3. Attendees are to use the TRC code “UBH” for all time spent in these sessions.

3.05 – PPEO BOARD MEETINGS

If the PPEO Board Meeting occurs during an employee’s normal work shift, or requires travel time during a normal work shift:

- a. Executive Board Members will be allowed up to four (4) hours per month to attend PPEO Board Meetings.
- b. Board members will be allowed up to two (2) hours per month to attend PPEO Board Meetings.
- c. Members are to use the TRC code “UBH” for time spent in these meetings up to the maximum allowed.

- d. Time spent in excess of the maximum should not be entered onto the employee's time sheet as "UBH". Instead:
 1. The employee should utilize off business hours to attend the Board Meeting; or
 2. If the PPEO Board Meeting occurs during an employee's normal work shift, that employee can request leave time, and receive approval for such, in advance of the meeting.

ARTICLE 4 – WORK HOURS

4.01 – EXTENDED WORK ASSIGNMENTS

Except for a declared emergency, an employee who has worked sixteen (16) consecutive hours must be allowed a minimum of eight (8) hours off before being required to return to work. An employee shall suffer no loss of pay nor shall there be a deduction from the employee's leave balances if this eight (8) hour period overlaps with the employee's normal shift.

4.02 – DAYLIGHT SAVINGS TIME

Employees scheduled to work a shift in which Daylight Savings Time, either takes effect or reverts to Standard Time, shall be paid for hours worked. Employees scheduled to work a shift when Daylight Savings Time is in effect, shall have the option to use one hour of vacation or CTE time. Employees scheduled to work a shift when Daylight Savings Time reverts shall be compensated for hours worked.

4.03 – WEATHER CONDITIONS CAUSING ABSENCE

Where the weather conditions are of such severity that an employee is not able to reach a work assignment location, or an employee requests to leave a work assignment location early to be able to return home, such absence shall be charged, at the option of the employee either to vacation time, compensatory time off, or other appropriate paid leave, or, where the employer and employee agree, such work may be made up no later than the end of the work week in which the absence occurred. An employee who does not have available paid leave will be on unpaid status.

4.04 – CHANGES TO WORK SCHEDULES

- a. An appointing authority shall have the right to require that an employee work overtime.
- b. A change in an employee's work schedule shall be deemed overtime unless the appointing authority shall provide the employee concerned with at least seven (7) calendar days' advance written notice of the change in work schedule.
- c. A change in an employee's work schedule shall be in effect for not less than fourteen (14) calendar days unless the employee, in writing, consents to a lesser period. Failure to give such notice shall entitle the employee to overtime pay during the hours worked over and above the hours which were included in the employee's work schedule.

4.05 – APPROVAL OF ALTERNATIVE SCHEDULES

The agreed upon provisions regarding alternative work schedules are as contained in the Placer Administrative Manual (PAM). The changes to these provisions are intended to allow more flexibility in the Department Heads authority to approve alternative work schedules.

4.06 – ALTERNATIVE WORK SCHEDULES

Departments may allow their employees to utilize a work schedule other than the usual 8:00 A.M. to 5:00 P.M. schedule so long as this does not conflict with the PAM policy.

- a. When utilizing an alternative work schedule the definitions in the PAM policy shall apply. There shall be as little variation as possible, in the interest of simplicity, consistency and efficiency.

4.07 – WORK ASSIGNMENTS – 9-80 SCHEDULE

- a. The work schedule or regular day off (RDO) of an employee on a 9-80 alternative work schedule may not be changed to accommodate holiday work schedule issues.
- b. Employees on alternative work schedules shall be required to use leave balances when a holiday falls on a regular scheduled work day to make up the difference between the holiday hours and the number of hours he/she would normally have worked. The only exceptions to this provision are: the employee obtains written approval to work additional hours at a straight time rate during the holiday week to substitute for leave hours; or the employee works on the holiday and requests, in writing, to use hours worked, applied at straight time, to his/her regularly assigned number of hours.

4.08 – WORK-OUT-OF-CLASS PAY

- a. In line with the principle that an employee assigned higher level work or is assigned to work in a position having discernibly higher job duties should receive higher pay, positions within the classified service may be applicable for work-out-of-class assignment as set forth in subsection (c) below.
- b. Individual employees may be certified by the Human Resources Department as being eligible for work-out-of-class pay when so assigned by the appointing authority or designee of that appointing authority.
- c. Procedure.
 1. Positions will be eligible for work-out-of-class pay when work conditions warrant. Other positions shall be considered as current developments cause work-out-of-class assignments.
 2. The Human Resources Department shall verify that employees in certain positions are eligible to receive work-out-of-class pay.
 3. A work-out-of-class assignment shall be made by a personnel action form.
 4. When the position is vacant due to absence of the incumbent when ill, on vacation, or other valid reason.

5. When workloads necessitate the assignment of employees to supplement a specific position or perform new assignments.
 6. A work-out-of-class assignment for training purposes may be excluded from work-out-of-class compensation provided such training purposes can be adequately demonstrated.
- d. Administration of the work-out-of-class procedure shall be as follows:
1. No work-out-of-class compensation will be considered or paid for assignments of two workdays or less.
 2. Additional compensation for working out-of-class shall be no less than five percent (5%) or exceed fifteen percent (15%) and shall be paid in 1% increments that are rounded down to the nearest whole number. This pay shall not exceed what the employee would have received if the employee were promoted to the classification for which they are receiving work-out-of-class pay.
 3. Employees considered “new members” as defined by the Public Employees Pension Reform Act of 2013 (PEPRA) will not have work-out-of-class compensation reported to CalPERS as pensionable compensation.
- e. Work-out-of-class pay may be approved by the appointing authority for up to fourteen (14) days; from fifteen (15) days up to and including one hundred eighty (180) days requires approval of the Human Resources Director. Any extension beyond one hundred eighty (180) days shall require the concurrence of the Civil Service Commission.
- f. The Human Resources Department shall hear any contention that an employee is actually working out-of-class. In the event of an adverse decision by the Human Resources Department, the employee concerned and/or his or her employee representative shall have the right to appeal such decision to the Civil Service Commission.

4.09 – EXCLUSIONS FROM OVERTIME – DEPUTY DISTRICT AND CHILD SUPPORT ATTORNEYS

No employee designated in the classification series of deputy district attorney or child support attorney, and who is eligible for administrative leave, shall be allowed overtime compensation in the form of pay at a time-and-a-half rate. Nothing herein shall be deemed to preclude adjustment of working hours at a straight time rate for such persons called on to work in excess of normal working hours.

4.10 – CONSECUTIVE SHIFTS

Any employee required to work consecutive full-time shifts in addition to a regular shift, separated by less than eight (8) hours of time off, shall be compensated at overtime rates for each consecutive additional shift worked.

4.11 – OVERTIME COMPENSATION

Overtime earned shall be paid at one and one-half (1.5) times the employee’s regular rate of pay or, in lieu of overtime pay, can be received as compensatory time earned (CTE) at one and one-

half (1.5) times the number of overtime hours worked.

- a. The appointing authority or designee shall approve overtime prior to the time worked. CTE balances will comply with FLSA legal limits.
- b. Subject to the provisions of subsections of this section, overtime earned may be paid in cash or taken in the form of compensatory time off at the option of the employee. CTE may be taken at any time as compensatory time off (CTO) with the prior approval of the appointing authority or designee; however, if the requested time off is denied, the employee may request payment in cash in lieu of CTO at the employee's current regular rate of pay.
- c. Employees shall submit requests to use CTE as time off within a reasonable time period prior to the requested date(s). In keeping with FLSA requirements, approval of this request may be permitted unless the supervisor determines that use of CTE would unduly disrupt the operations of the department.
- d. Compensatory time earned and not used by the last day of the pay period that results in the last paycheck of the calendar year shall be carried forward into the next calendar year up to a maximum of eighty (80) hours. All CTE accumulated within the County's calendar year in excess of eighty (80) hours must be taken as time off or cashed out within the calendar year that it is earned or it shall be paid in cash on the last pay date of the calendar year (which is the same as the IRS tax year). CTE carry-over (up to the 80 hour maximum) will be transferred to a restricted CTE account. Bargaining unit members will be allowed to use the hours in the restricted CTE account as time off only. The restricted CTE account may never have a balance greater than eighty (80) hours.
- e. While on a leave of absence, employees will be required to use all CTE balances prior to going into an unpaid status. If integrating with State Disability Insurance (SDI), Paid Family Leave (PFL), or Workers' Compensation benefits, unpaid hours will be authorized for only the amount of time required for integration purposes.
- f. It shall be the duty of the County to establish and administer a centralized compensatory time off record keeping system, and to prepare and distribute appropriate forms for the reporting thereof.
- g. The appointing authority shall have the ability to change an employee's work schedule for jury duty without giving that employee seven calendar days advance written notice.

4.12 – OVERTIME – CALL-BACK DUTY

- a. When an employee is called back to work after he or she has completed an assigned shift, the employee shall receive a minimum of two (2) hours of call-back pay at one and one-half (1.5) times the employee's hourly rate. Time worked for which the employee is entitled compensation shall include reasonable travel to the worksite.
- b. Call-back pay shall not apply to situations where the employee has been retained on duty by the employee's supervisor beyond the end of the employee's shift.
- c. Call-back pay at the minimum rate of one hour at one and one-half (1.5) times the employee's hourly rate shall apply to those situations where an employee performs authorized work on behalf of the County without being required to physically return to

work. Multiple calls to the employee within a sixty (60) minute period beginning with the first call, in the same hour, shall be paid as a single call back pay period.

4.13 – STAND-BY DUTY

- a. Stand-by duty requires the employee so assigned:
 1. To be ready to respond to calls for his or her service; and
 2. To be reachable by telephone or radio; and
 3. To refrain from activities which might impair his or her ability to perform his or her assigned duties.
- b. Stand-by duty may only be assigned by a department head or designated representative.
- c. Stand-by duty shall be compensated at a flat rate of twenty-seven dollars (\$27.00) for weekdays and thirty dollars (\$30.00) for weekends and holidays.
- d. Weekdays are defined as Monday 12:01 a.m. through Friday midnight. Holidays are defined as the County declared holiday from 12:01 a.m. to midnight.
- e. Stand-by duty and stand-by compensation shall not be deemed overtime compensation.

4.14 – CORRECTIONAL OFFICER SENIORITY SYSTEM

A seniority system, based on time in class, shall be established and maintained for Correctional Officers I and II. This system, which shall be administered in the same manner as for Sheriff's deputies, shall be the basis for shift assignments, vacation scheduling, and may be considered when making special duty assignments. Nothing in this Memorandum of Understanding shall preclude the appointing authority from transferring an employee in accordance with the Placer County Code, Chapter 3 Section 3.08.390.

4.15 – CORRECTIONAL OFFICER OVERTIME BID PROCEDURE

The parties agree that Officers (correctional officers and deputies) in the Corrections Division of the Sheriff's Office shall be offered the first opportunity to work overtime shifts in the jail for custody assignment duties. If a scheduled overtime shift remains unfilled 48 hours prior to the beginning of the shift, any qualified deputy sheriff may sign up for the shift. If a scheduled overtime shift remains unfilled 24 hours prior to the beginning of the shift, any qualified supervisor may sign up for the shift. A qualified deputy sheriff shall be defined as an Officer who has been trained to fill the assignment, including competency of the Corrections Management System (CMS), etc., as determined by the jail commander or his/her designee.

- a. The Placer County Sheriff's Office will administer law enforcement related off duty/extra-help employment in accordance with the following policy. The adoption of this Correctional Officer C.E.R.T. shift will amend the existing M.O.U. between Placer County and the Placer County Deputy Sheriff's Association. P.C.D.S.A. has agreed to this amendment. Procedure:
 1. Each time a correctional officer has volunteered to fill a job request he/she will be expected to honor the commitment. Criteria for excusing a correctional officer from

an assignment will be the same as the criteria used for being excused from duty, i.e., sick, vacation, etc. Failure to fulfill a work commitment may be regarded as any other unauthorized absence. Trades will be allowed providing the supervisor of the affected assignment has at least two (2) hours' notice and concurs. The primary responsibility for the assignment will be with the original officer who signed up.

2. Correctional officers will receive a minimum of three (3) hours off-duty assignment pay for each assignment regardless of the actual time worked, unless the callout is cancelled three (3) hours prior to the scheduled commencement of the shift.
3. No correctional officer shall be allowed to work a shift or combination of shifts which exceed sixteen (16) consecutive hours.

The Sheriff's Office shall publicize this policy. This policy shall not prevent the Sheriff or his/her authorized representative from selecting specific person(s) qualified to work when extraordinary circumstances exist.

ARTICLE 5 – LEAVES

5.01 – VACATION

Each permanent employee having the following service hours shall accrue at the following vacation rates for each hour in paid status, not including overtime, and not to exceed credit for more than eighty (80) hours in paid status in any one pay period.

Hours of Service	Earned per Hour	Per Year Equivalents:

6. If the pro-rated paid holiday hours result in the employee receiving less pay than he/she would normally be scheduled to receive during a holiday week, his/her vacation, holiday credit or compensatory time off balance will be charged for the additional hour(s), unless the employee requests, in writing, that his/her leave balances not be used.
7. Vacation, holiday credit or compensatory time off hours cannot be used to pay a part-time employee for more hours than he/she would normally receive.

- a. **Furlough Definition.** A mandatory period of unpaid time off from an employee's regularly scheduled shift(s), for any period of time, and implemented to obtain budget savings or due to a lack of work, other than when an employee voluntary takes time off.
- b. In the event the County proposes to implement furloughs for a length of time not exceeding five (5) days per fiscal year, the parties agree that any discussions, negotiations, and/or bargaining regarding the furloughs will only occur after a written pre-bargaining notice to PPEO containing an explanation as to why the County is considering the use of furloughs during a particular fiscal year, a description of the desired number of furlough days, when those days might be expected to occur, any other proposal details, and an offer to meet and confer with PPEO.
- c. In the event the County proposes furloughs for a length of time exceeding five (5) days per fiscal year, the requirements identified above are modified as follows. The Pre-bargaining Notice will only be made in conjunction with an invitation to meet and confer on layoff impacts. If meet and confer regarding the implementation of such furloughs and layoff impacts are requested by PPEO, then discussions, negotiations, and/or bargaining on these will proceed at the same time, at the same table.
- d. In the event that the parties agree to implement furlough/MTO days, the following provisions will be applied:

2. To the extent possible, furlough/MTO days will be scheduled in conjunction with a paid holiday;
3. MTO hours will count toward “service hours” and as such employees will accrue leave balances and all other applicable benefits on these hours;
4. MTO hours will count towards an employee’s seniority and total county service; and,
5. To the best of both parties knowledge, as of the date this agreement was entered into, the MTO days will affect CalPERS Service Credit/Final Compensation as follows: One year of CalPERS Service Credit is based upon 1,720 paid hours, excluding overtime, in the CalPERS fiscal year (Begins in the pay period July 1st falls, typically pay period #2). Full time employees could be in an off pay status for up to 360 hours in the CalPERS fiscal year and still earn a full year of CalPERS service credit. Part time employees service credit may be adjusted depending on their schedule combined with MTO hours. The CalPERS final compensation calculation is based on the actual pay rate for the position – not the individual salary earned by the employee. Final Year Compensation would not be impacted by the time off without pay except in cases where an employee receives additional pay based upon a percentage of the actual earnings, i.e. night shift differential.

12.02 – FURLOUGH IMPASSE PROCEDURE

Should the Parties be unable to come to agreement on any future furlough proposal, the proposal will be subject to the impasse procedures contained in the Placer County Employer Employee Relations Policy with a mutual understanding that time is of the essence in resolving any such impasse.

13.04 – SMOKING POLICY

The agreed upon provisions regarding smoking prohibited in County buildings and limited to designated areas is as contained in the Placer County Code.

ARTICLE 14 – LAYOFF

14.01 – LAYOFF AUTHORITY

- a. Layoffs shall be made solely under the direction of the Board of Supervisors. The County Executive Officer, following board approval, may direct the department's appointing authority to lay off employees for any of the following reasons:
 1. Necessity based on lack of funds or work; or
 2. Advisable in the interest of economy to reduce the departmental staff; or
 3. Administration of a violation of the Placer County Code, Chapter 3, Section 3.04.080 relating to nepotism.
- b. Notwithstanding the provisions of subsection (a) of this section, the department's appointing authority may lay off an employee, without the direction of the Board of Supervisors, for the following reasons:
 1. Return of another employee with greater seniority from leave of absence;
 2. Return of another employee with greater seniority as a result of release from probation.
- c. Permanent employees laid off and probationary employees noticed of release from county service pursuant to these provisions shall be placed on a re-employment list for the class or classes from which they were laid off or released ranked by total county service in order from longest to shortest.

14.02 – NOTICE

At least fourteen (14) calendar days, excluding holidays, before the effective date of a layoff, the appointing authority shall cause each employee affected to be personally served a notice of layoff. The notice shall include a copy of the layoff provisions. A copy of such notice shall be sent to the Human Resources Director.

14.03 – ORDER OF LAYOFF - DEPARTMENTAL

- a. In the event a layoff is necessary, the appointing authority, with the approval of the County Executive, shall determine which class or classes will be affected. Flexibly staffed positions in classifications which include entry/journey, assistant/associate or I/II

in the job title will be treated as one class for purposes of this provision. Prior to layoff of permanent employees, notice of release of employment shall first be given to employees in the following order by class or classes: extra help, provisional and probationary employees in the targeted department. The following sequence will be used to determine the order in which permanent employees in the department target class or classes will be laid off:

1. Permanent employees whose last recorded overall performance rating was “unacceptable” or “unsatisfactory” in the performance evaluation done ninety (90) days or more prior to the notice of layoff.
2. Permanent employees shall be laid off, by class, in the inverse order of seniority within a classification within a department. Permanent part-time employees’ seniority will be prorated based on hours worked as per the definitions contained in the definitions section of this agreement.
 - i. Employees who voluntarily demote to a lower classification (not as part of a layoff and the layoff process) shall have their hours of service in the higher classification transferred to the lower classification for the purpose of calculating seniority for layoff purposes only.
3. The least senior employee may choose to “bump” to any class with the same or lower maximum salary in which the employee had previously served in a permanent status in the same department or in another county department of county service.
4. **Ties.** In the event of a tie in seniority (above), the tie will be broken by ranking (i) in inverse order of seniority within the department, then (ii) inverse order of seniority within the total county service. In the event the above methods do not break the tie, then the final decision will be made by lot.

14.04 – TRANSFER OR DEMOTION IN LIEU OF LAYOFF

In lieu of being laid off, an employee may request to transfer or demote to any vacant class that is approved to be filled with the same or lower maximum salary for which the employee meets minimum qualifications as provided in the Placer County Code, Chapter 3, Section 3.08.370 and 3.08.380 subject to the approval of the Human Resources Director. An employee who voluntarily exercises the option contained in this section to demote to another position shall be eligible to be placed on a re-employment eligible list.

- a. To determine which employee(s) will be displaced by an employee who chooses to bump, the employee’s total county service will be compared to the time in class of each person in that class; however, an employee may not be displaced by an employee with less total county service, if such displacement results in separation from county service of the senior employee.
- b. To submit an election to bump, an employee must notify his or her appointing authority in writing of such election not later than five working days after receiving the notice of layoff. Any employee displaced by bumping shall have the same rights afforded by this section. The salary of the employee who elected to bump shall be determined in accordance with the Placer County Code, Chapter 3, Section 3.04.700

- c. An employee who exercises the right to bump shall be placed on the re-employment list for the classification of the position(s) from which they were laid off.
- d. An employee who previously exercised the option to elect bumping rights, shall, at the employee's discretion, have the right thereafter to set aside such exercise of the bumping option within thirty (30) calendar days and accept layoff.
- e. In the event that an employee is laid off as a result of privatization of a county function, the County will continue to pay the employee's current salary and benefits at the time of layoff, for two pay periods, without reducing accrued leave balances, to be considered severance pay. The severance pay will not apply if the employee chooses not to exercise bumping rights or is hired by the private contractor. Employees subject to layoff will be allowed to use accumulated leave time to conduct a job search.

14.05 – RE-EMPLOYMENT LIST

- a. A re-employment list for permanent employees who have been laid off and probationary employees noticed of release from employment (pursuant to Article 14.01 and the Placer County Code, Chapter 3, Section 3.08.1090(C)) shall be established to facilitate re-employment of employees laid off or released in accordance with these provisions. Rank order shall be determined by total county service from longest to shortest and shall remain in existence for a period of a minimum of one year and a maximum of two years
- b. When there is a re-employment list for the class in which the vacancy exists, only the employee with the greatest total county service shall be certified and shall be appointed.
- c. Employees on a re-employment list may waive certification by written notification to the Human Resources Director. Such notification shall state the period of time and/or department(s) to which the waiver shall apply.

14.06 – DEFINITION OF TERMS PURSUANT TO LAYOFF PROVISIONS

- a. An employee who works in a temporary assignment receiving work-out-of-classification compensation will continue to accrue total county service.
