Placer County Mental Health Services Act 2010/11 Annual Update

Introduction

On January 20, 2010 Placer County Health and Human Services (HHS) received Information Notice No. 10-01 from the California State Department of Mental Health (DMH) entitled Proposed Guidelines for Mental Health Services Act (MHSA) Fiscal Year 2010-2011 Annual Update to the Three-Year Program and Expenditure Plan. The notice stated that already approved program funding may be received by submitting an Annual Update FY2010-2011 consistent with the guidelines in the Information Notice 10-01.

This Annual Update includes information on Placer's community planning and local review process, 08-09 Community Services and Supports (CSS), Workforce Education and Training (WET) and Prevention and Early Intervention (PEI) programs and funds requested for 2010-2011 services.

This Update is posted for a 30-day public comment and review period on line at:

www.campaignforcommunitywellness.org and
<http://www.placer.ca.gov/Departments/hhs/adult/MHSA.aspx>

Hard copies are available for review in the lobbies of:

Placer County Adult System of Care 11512 B Ave Auburn Ca
Placer County Adult System of Care 101 Cirby Hills Way Roseville Ca
Placer County Welcome Center 11522 B Ave Auburn Ca
Placer County HHS 5225 North Lake Tahoe Blvd Carnelian Bay Ca
Placer County Children's System of Care 11716 Enterprise Auburn Ca
Placer County Children's System of Care 1130 Conroy Lane

If you would like a hard copy for review or posting, please contact:

Michele Zavoras 916-787-8830 mzavoras@placer.ca.gov

A Public Hearing will be conducted by Placer County's Mental Health, Alcohol and Drug Board on April 26, 2010 at Health and Human Services Adult System of Care Cafeteria 101 Cirby Hills Way Roseville Ca 95678 from 5:45-6:00 P.M. Public comments received will be incorporated in the final report submitted to the state.

COUNTY CERTIFICATION

County: Placer

County Mental Health Director	Project Lead
Name: Maureen Bauman, LCSW MPH	Name: Kathie Denton, LCSW
Telephone Number: 530.889.7256	Telephone Number: 530-886-2974
E-mail: mbauman@placer.ca.gov	E-mail: kdenton@placer.ca.gov
Mailing Address: 11512 B Ave Auburn CA 95603	

I hereby certify that I am the official responsible for the administration of county mental health services in and for said county and that the County has complied with all pertinent regulations, laws and statutes for this annual update/update, including all requirements for the Workforce Education and Training component. Mental Health Services Act funds are and will be used in compliance with Welfare and Institutions Code section 5891 and Title 9 of the California Code of Regulations section 3410, Non-Supplant.

This annual update has been developed with the participation of stakeholders, in accordance with sections 3300, 3310, subdivision (d), and 3315, subdivision (a). The draft FY 2010/11 annual update was circulated for 30 days to stakeholders for review and comment and a public hearing was held by the local mental health board of commission. All input has been considered with adjustments made, as appropriate.

The County agrees to participate in a local outcome evaluation for the PEI program(s) identified in the PEI component.¹

The County Mental Health Director approves all Capital Facilities and Technological Needs (CFTN) projects.

The County has complied with all requirements for the Workforce Education and Training component and the Capital Facilities segment of the CFTN component.

The costs of any Capital Facilities renovation projects in this annual update are reasonable and consistent with what a prudent buyer would incur.

The information provided for each work plan is true and correct.

All documents in the attached FY 2010/11 annual update/update are true and correct.

Mental Health Director/Designee (PRINT)

Signature

Date

¹ Counties with fewer than 100,000 residents, per Department of Finance demographic data, are exempt from this requirement and may strike this line from the certification.

**COMMUNITY PROGRAM PLANNING
AND LOCAL REVIEW PROCESS**

County: Placer

Date: 3/26/2010

Instructions: Utilizing the following format please provide a brief description of the Community Program Planning and Local Review Processes that were conducted as part of this annual update/update per title 9 of the California Code of Regulations, sections 3300 and 3315.

Counties may elect to attach the Mental Health Board meeting minutes in which the annual update was discussed if it provides additional information that augments the responses to these questions.

Community Program Planning
<p>1. Briefly describe the Community Program Planning (CPP) Process for development of the FY 2010/11 annual update/update. Include the methods used to obtain stakeholder input.</p> <p>Placer County’s Community Program Planning Process includes a large, active community stakeholder group (the Campaign for Community Wellness Steering Committee), Placer County’s System of Care staff, and various system partners. All planning and recommendations were either driven by or presented to our Campaign for Community Wellness in an effort to coordinate and leverage key mental health initiatives and ultimately improve mental health care in Placer County for all people. Led by a steering committee of over 34 community members, advocates, providers, consumers and family members, the Campaign for Community Wellness is working to coordinate and implement the Mental Health Services Act (MHSA) and the Substance Abuse and Mental Health Services Administration (SAMHSA) programs in Placer County. The annual update was initially presented for input to the Campaign for Community Wellness (CCW) Steering Committee on February 26th 2010.</p> <p>Any information provided by DMH or Placer County was shared with stakeholders in a variety of methods. All MHSA related information and documents were discussed at length at the Campaign for Community Wellness meetings, the Mental Health/Drug and Alcohol Board, and any relevant workgroups. Updates regarding the CSS programs were provided at the public hearing for last year’s annual update. Minutes from relevant meetings as well as written plans, updates, etc. are posted on Placer County’s Mental Health Services Act website (www.placer.ca.gov/Departments/hhs/adult/MHSA.aspx) as well as the Campaign for Community Wellness website (www.campaignforcommunitywellness.org/). Also, the Campaign for Community Wellness puts out a quarterly newsletter that provides updates on MHSA programs.</p>
<p>2. Identify the stakeholder entities involved in the Community Program Planning (CPP) Process.</p> <p>Placer County’s Community Program Planning Process for development of the FY2010/11 Annual Update involved consumers, family members, services providers, system partners, and other interested community members, including individuals from diverse racial/ethnic and cultural backgrounds. Representation from consumers, family members, and contract providers included all age groups (child, TAY, adults, and older adults). System partners included Education, Health, Child Protective Services, Law Enforcement, Juvenile Court,</p>

**COMMUNITY PROGRAM PLANNING
AND LOCAL REVIEW PROCESS**

<p>Probation, Public Defender, Alcohol and Drug Services, Department of Human Assistance, Homeless, Housing and Senior and Adult Services.</p>
<p>3. If eliminating a program/project, please include how the stakeholders were involved and had the opportunity to participate in the decision to eliminate the program/project.</p>
<p>Placer County does not plan to eliminate any programs or projects in 2010-2011.</p>
<p>Local Review Process</p>
<p>4. Describe methods used to circulate, for the purpose of public comment, the annual update or update.</p>
<p>The 10/11 Annual Update was posted for a 30-day public review and comment period from 3/26/10 through 4/26/10. It was electronically sent to the Campaign for Community Wellness Steering Committee, Placer County Network distribution list (308 members), Placer Consortium on Homelessness, Placer County Network Providers, and county mental health staff. Steering Committee members were asked to assist in the distribution of the Annual Update through their various community organizations. Hard copies were placed at: Placer County libraries, the Welcome Center (consumer drop-in center in Auburn, CA), the Adult System of Care Clinics, and the Children’s System of Care (lobbies). The general public was notified by public notice posted in five newspapers throughout Placer County. The notice included reference to the CCW website and a phone number for requesting a copy of the annual update. The public hearing, held at the Mental Health/Drug and Alcohol Board meeting on 4/26/10 was advertised in the same manner. Public review and comment closed at 5pm on 4/26/10.</p>
<p>5. Include substantive comments received during the stakeholder review and public hearing, responses to those comments, and a description of any substantive changes made to the proposed annual update/update that was circulated. The County should indicate if no substantive comments were received.</p>
<p> </p>

**IMPLEMENTATION PROGRESS REPORT
ON FY 08/09 ACTIVITIES**

County: Placer

Date: 03/26/2010

Instructions: Welfare and Institutions Code section 5848 specifies that DMH shall establish requirements for the content of the annual update and updates including reports on the achievement of performance outcomes for services. Provide an update on the overall progress of the County's implementation of the MHSA including CSS, PEI and WET components during FY 2008/09.

CSS, WET and PEI
<p>1. Briefly report on how the implementation of the MHSA is progressing: whether implementation activities are generally proceeding as described in the County's approved Plan, any key differences, and any major challenges. [X] Please check box if PEI component not implemented in FY 08/09.</p>
<p><u>Community Services and Supports</u></p> <p>CSS Implementation activities are generally proceeding as described in the County's approved Plan. Challenges, although not major, include staffing changes, restructuring of non-CSS programs, capacity of existing programs and community partners to sustain service levels, and county-wide economic stressors increasing the need for services. Despite these challenges Placer was able to significantly exceed annual services targets in several work plans, particularly in the area of System Development. For example, our Lake Tahoe System Development Program was able to serve 57 Latino individuals. This is more than 50% over the targeted 35.</p> <p>Program highlights for 08-09 include:</p> <ul style="list-style-type: none"> • Relocation of the Welcome Center. The new space allows for increased on-line access and space for several simultaneous activities. • The creation of a Transitional Review Team (TRT). This team is composed of partner agencies and Children's System of Care representatives who meet monthly to create a more fluid transition for youth who are entering adulthood. • Summer youth employment projects coordinated through the Youth Coordinator resulted in the development of a Rights Packet for youth placed in probation, mental health, or child welfare placements and three educational videos: Youth Rights, Advocacy for Affordable Youth Activities and Advocacy to Improve Educational Opportunities for Youth in Placement. • In Spring of 2009, TAY and most Adult FSP services were transitioned to Turning Point Community Services. Adult System of Care continued to provide Older Adult FSP and PTAY services. • The Older Adult FSP Program staff gave eight public presentations describing the Older Adult program and providing referral information to community groups and hospital staff. Thanks in part to these outreach efforts the team started with 12 partners and ended with 19 serving a total of 24 individuals during this reporting period. The team is now housed with Public Guardian staff, allowing Public Guardian Deputies to participate in discussions with regard to partners who are currently on conservatorship. • The Lake Tahoe Community Educator facilitated a middle school boy's group, educated Latino fathers, assisted in training Promotoras and works closely with the schools and Family Resource Center to increase outreach and understanding while reducing stigma amongst the Latino community.

IMPLEMENTATION PROGRESS REPORT ON FY 08/09 ACTIVITIES

Workforce Education and Training

WET Implementation activities are generally proceeding as described in the County's approved Plan. Highlights from the 08-09 FY include:

- Relationship building with local colleges and universities, resulting in increased opportunities for internships
- Involvement in regional collaborative meetings and efforts to increase capacity and cohesion amongst central region counties
- The WET coordinator participates in the Cultural Competency and Change Agent groups allowing for greater integration of staff and system development activities
- Consumers, staff, families, and community providers attended Recovery Model trainings including Job Retention for Clients in Employment, Wellness Recovery Action Plan and Connecting Employment with Recovery
- Development of our eLearning contract preparing for 09-10 implementation

Major challenges to implementation include working with and/or adapting county processes to allow for the distribution of stipends, keeping advisory group and community members engaged in the process, local college challenges due to budget and program reductions and the impacts of reductions on staff development activities.

Prevention and Early Intervention

Placer County's PEI Plan was approved in February of 2009 and implementation is progressing generally as planned. No PEI services were delivered in 08-09 as the remainder of this FY was used to develop Requests for Proposals and ensure stakeholder participation in each stage of the process.

2. Provide a brief narrative description of progress in providing services to unserved and underserved populations, with emphasis on reducing racial/ethnic service disparities.

All of Placer County's CSS, WET and PEI programs provide outreach to unserved and underserved populations, with an emphasis on reducing racial/ethnic service disparities. Each program strives to deliver culturally and linguistically competent services to both consumers and family members. Nearly all of Placer's newly approved services under PEI benefit historically underserved members. In particular the Latino Leadership Council and Native Network are working to increase services, awareness, and opportunities to two of Placer's primary identified underserved populations: Latinos and Native Americans.

The Latino Leadership Council (LLC) initiated the strategic planning process to become a 501c3 non-profit organization. They continue to seek funding opportunities and collaborate with organizations to secure funding that helps develop and sustain culturally competent services for Latino populations. 15 community educators, called Promotoras, were trained. These individuals will help to educate and engage Latino populations in basic health, which includes public health issues as well as mental health issues. The LLC completed research among its membership and community to finalize recommended plans for the MHSA PEI funding. Based on these recommendations PEI funding was allocated to provide Latino populations skills for dealing with their children who are at-risk for gang activities. Presentations to the Western Placer USD personnel showcased the Parent Project curriculum and Promotoras programs.

The LLC worked with a consultant to identify ways that the LLC can help to develop the capacity of the community to improve their own wellness. In collaboration with Placer County Community

**IMPLEMENTATION PROGRESS REPORT
ON FY 08/09 ACTIVITIES**

Health Department, LLC coordinated a health fair to provide screening services for Latino adults. On May 30, 2009, the Latino Leadership Council partnered with the Placer County Community Health Department to coordinate the first-ever Latino Health Fair in Lincoln, CA. More than 200 Latino adults received screenings and their children received free childcare so the parents could concentrate on understanding information about their health.

The Native Network continues an active role in providing input to county/community planning groups. Information is gathered from a consortium of local tribes and interviews by a Native American consultant with elders/leaders. The Native Network has utilized many assessments/means of gathering and reporting on the needs of Native American youth, families, and communities. MSHA dollars were critical to the establishment of a Native Cultural Center where Placer residents are now able to receive a host of services as outlined under the plan. Included in the recently approved PEI plan is funding for a Native Youth liaison.

3. Provide the following information on the number of individuals served:

Age Group	CSS	PEI	WET	
	# of individuals	# of individuals (for universal prevention, use estimated #)	Funding Category	# of individuals
Child and Youth (0-17)	21		Workforce Staff Support	
Transition Age Youth (16-25)	248		Training/Technical Assist.

5. **For CSS programs:** Describe the services/strategies and target population to be served. This should include information about targeted age, gender, race/ethnicity and language spoken of the population to be served.
For WET programs: Describe objectives to be achieved such as days of training, number of scholarships awarded, major milestones to be reached.

Children's System of Care (CSOC) will continue to expand wraparound services to include children (17 years and under) with Severe Emotional Disorders who do not meet the Government Code 26.5 criteria for Special Education Services. CSOC works closely with the schools to identify the children who qualify for this program. Special attention and outreach occurs in the Latino community to address ethnic disparity. Working in concert with leadership development activities, staff utilizes the services of Family Advocates, Youth Coordinators and Mentors.

This should include information about targeted age, gender, race/ethnicity and language spoken of the population to be served.</p> <p>For WET programs: Describe objectives to be achieved such as days of training, number of scholarships awarded, major milestones to be reached.</p>									
<p>Populations to be served:</p> <p>Placer TAY (PTAY): Un-served, under-served and inappropriately served Transition Aged Youth between the ages of seventeen years and twenty-four with Severe Mental Illnesses (SMI) transitioning from Children’s System Of Care (CSOC) to Adult System Of Care (ASOC) or referred from the community.</p> <p>Whatever it Takes (WIT): Adults (18-60 yrs) with Severe Mental Illnesses (SMI) who are leaving jail, hospitals or IMDs. Priority is given to unserved or inappropriately served clients who are at risk of psychiatric hospitalization, homelessness and those ready to exit psychiatric Health Facilities, psychiatric hospitals, IMDs, or jail.</p> <p>Older Adult FSP: Older adults (65) who meet the previous criteria and those who are newly identified as needing services. Older adults with SMI, age 55 as they transition and older adults age 65-84 with SMI in nursing homes.</p> <p>Placer’s Full Service Partnership teams use a recovery focused approach to support individuals in reaching self-determined goals with the lowest level of care needed. These teams work collaboratively with each other and our community partners to provide the intensive services needed to support the individuals referred for these services in increasing their independence and strengthening their ability to integrate into the community.</p>										

PTAY works closely with staff, Placer's schools and Independent Living Program to identify youth aging out of foster care or group home that are transitioning from CSOC to ASOC. Placer's TAY FSP works closely with ASOC community reintegration team to identify youth recently hospitalized. The TAY team also works closely with the leadership development activities for Youth and Families, including use of Peer Coordinators and Mentors. WIT staff goes to the jail or hospital to make contact with and engage potential clients, including those in the jail who may be un-served SMI. They also coordinate with staff in those facilities to assist with this process. Staff coordinates with the client self-help activities at the Welcome Center and through the TRT.

Older Adult FSP is a multi-disciplinary team that conducts outreach in natural settings in collaboration with the Older Adult Advisory Commission and other community providers. This team provides a comprehensive needs assessment including crisis assessment, clinical and non-clinical support needs.

The Lake Tahoe System Development program provides services that are culturally competent and focus on a welcoming system to increase access to mental health services for Latinos in Tahoe, focusing on the disparity of mental health services provided to Latinos. Additional bi-lingual/bicultural clinical and support staff allows staff to eliminate the waiting list for services.

The plan also supports community outreach and engagement to reduce stigma and fear of mental health services through partnerships with Latino leadership and Family Resource Centers. Training and support for identification of mental illness issues in families utilizing natural community strengths and cultural models will continue to be developed and implemented.

Placer Systems of Care will continue to improve the system capacity for co-occurring competent, culturally competent, recovery/resiliency oriented and client/family driven services through the use of evidence-based models that promote recovery and increase the level of participation of clients and families. In collaboration with the WET plan Placer will continue to provide: Opportunities for training for staff, providers, consumers and families on the principles of the recovery model; Leadership development for consumers, families and the Consumer Council; Peer support programming through the Welcome Center; Latino Leadership Counsel growth; Consumer Navigators and Peer Advocate programs; the Youth Coalition; Change Agents for Co-occurring systemic transformation efforts.

5. **For CSS programs:** Describe the services/strategies and target population to be served. This should include information about targeted age, gender, race/ethnicity and language spoken of the population to be served.
For WET programs: Describe objectives to be achieved such as days of training, number of scholarships awarded, major milestones to be reached.

Placer's Crisis Response program provides crisis services at a new one-stop hospital site. Individuals who meet 5150 criteria require medical clearance prior to hospitalization. This co-location increases the ability to provide timely and efficient crisis mental health services.

Placer County's Crisis Triage team provides same day/next day follow-up and outreach services for individuals who are 5150 evaluated but not admitted to a Psychiatric Health Facility (PHF). The goal is to prevent hospitalization and/or incarceration and to ensure that no one who is experiencing a crisis "falls through the cracks." To support this goal same day/next day assist individuals in connected with services and community resources.

PREVIOUSLY APPROVED PROGRAM

Provides .75 FTE Supervisor and .5 FTE Clerical staff to support to the Workforce, Education, and Training component and to enhance Placer County's training infrastructure.

Objectives:

- Implement WET Plan
- Evaluate WET Plan Implementation and Effectiveness
- Submit periodic progress reports, required by California Department of Mental Health (MDH) and Adult System of Care Director
- Work in collaboration with Placer Personnel to review and revise existing job descriptions including minimum qualifications to
- Reduce barriers to hiring consumers, family members including those from diverse communities.
- Coordination of training events for public mental health system and community partners.
- Completion and monitoring of contracts with entities providing workforce education and training programs and services.
- Participation in and support of regional and state education and training efforts to ensure coordination and reduce duplication of services.
- Develop and implement feasibility studies, local and on-line training opportunities, including certificate programs for mental health professionals, clients and families and other critical staff.
- Provide trainings to clients/family members for skill development in areas such as social rehabilitation and wellness recovery, record keeping, data management, and/or peer counseling.
- Assist in development/implementation of courses
- Provide trainings for supervisors of client/family member employees (e.g. cover benefits counseling, negotiation of reasonable accommodations, supporting clients/family members, and other recovery oriented material).

The WET advisory committee composed of county and community representatives including consumers, family members and cultural brokers will assist in identifying effective evidenced-based models for each topic area and determining trainers and the most cost effective manner to provide these trainings and meet these objectives.

Objectives:

- Provide a minimum of 12 days of training. All training will be made available to Placer County Systems of Care, consumers/family members, mental health/drug and alcohol community partners who have frequent contact with mental health consumers/staff. While not all training providers have been identified for the specific training topics, it will be the responsibility of the local WET coordinator and advisory group to identify, organize, and evaluate each training. Training will include post tests to insure that training concepts are incorporated into practice. All training providers will be knowledgeable of the fundamental principals of MHSA and will integrate them throughout the training. Placer will incorporate the client and family voice into trainings to expand beyond the clinical perspective of the trainee. Trainings will be provided through diversified methods (e.g. interactive, classroom style, group learning, etc.) Training topics may include: Clinical skills in best practices (e.g. motivational interviewing, welcoming), Recovery/Wellness training, co-occurring competency, suicide assessment/treatment, Listening Well, and Cultural Competence.

PREVIOUSLY APPROVED PROGRAM

Through the stakeholder process it was determined that developing leadership among public and private staff is difficult (particularly consumers/family members, ethnically diverse, licensed staff, and other hard to fill positions).

Objectives:

- Establish a leadership academy of 10-20 mental health staff (consumer and family trainers will be identified). Development of a leadership academy for public and private mental health staff (and potential staff) would help develop mental health leadership in Placer. By joining with leaders from the community, leadership skills are developed in an environment of diversity and collaboration. This consortium of mental health staff will receive additional training, support, mentorship opportunities, and develop a speaker's bureau.
- Bring in trainings and/or consultants who will train staff in recovery oriented leadership skills including: meeting facilitation, community outreach, professional presentations, technical writing, team motivation, etc.
- Develop a mental health speaker's bureau who train/speak about MHSA core values to partner agencies, in classroom settings, or other community venues.
- Provide 5 stipends at \$500 each to members who provide relevant recovery oriented trainings to partner's agencies (as determined eligible by WET workgroup).

E-Learning continues to be a valuable resource that allows us to develop, deliver and manage educational opportunities and distance learning for staff, consumers/family members, and community based organizations. Funding will be used for access to the course catalog, to purchase software to allow uploading of multi media courses and to customize courses to meet the specific, diverse needs of our community. Trainings will be wellness, recovery, and resiliency oriented.

Objectives:

- All employees, including consumer and family members, will be able to access trainings.
- Community providers will be included in classroom trainings.
- E-learning will support the maintenance of up to date training records for staff development.
- Training effectiveness will be monitored through evaluations, pre and post tests, as well as agency wide surveys, focus groups, and computer based message board discussions.

Objectives:

- Four to eight interns will be offered recovery oriented supervision (particularly bi-lingual/bicultural and those with lived experience). We will look for a combination of Bachelors and Masters level students. Students will be offered a comprehensive internship that allows them to experience various aspects of Placer's integrated system.
- At least two Medical field interns (e.g. Nursing/psychiatric technicians) will be offered supervision and psychiatric experience.
- A rotation schedule will be developed with Sierra College Nursing program to provide eight students with exposure to public mental health.
- 6 hours per week of a contracted licensed clinician to provide supervision for interns working toward licensure.

The primary objective of this action is to develop the processes necessary to implement proposed financial incentive programs.

Objectives:

- Establish an application process that would determine eligible individuals for a stipend or scholarship.
- Establish a process with key stakeholders for reviewing applications and recommendations for stipends, scholarships or grants.
- Provide accountability and support to the individuals approved to receive stipends, scholarships, or grants.
- Establish a process for distribution of stipends to Speaker’s Bureau participants, consumers and family members for activities outlined in the plan.
- Increase consumer and family member participation in trainings and classes
- Increase interns trained and receiving work experience in a mental health setting and design strategies to retain interns and/or encourage hard to fill staff to continue toward the mental health field.
