MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: June 13, 2006

FROM: KEN GREHM/ KEVIN TABER ^{JGD} 

SUBJECT: **AWARD OF CONTRACT FOR SLURRY SEAL, SUMMER 2006,
CONTRACT NO. 73239**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution to award Construction Contract No. 73239 to Intermountain Slurry Seal, Inc. in the amount of \$1,073,944.98. Authorize the Chairman to execute the contract and authorize the Director of Public Works to approve contract change orders up to 10% of the total contract amount.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. A slurry seal is a road resurfacing process that provides a new wearing surface, some crack filling, pavement rejuvenation, and sealing. The construction requires special equipment, which mixes an asphalt emulsion with coarse sand and spreads the resulting slurry over the surface of the road. Slurry seals are applied on selected maintained public roadways each year. The contract proposes to slurry seal 35 miles of roadway this year.

Bids were opened on May 22, 2006. Two (2) bids were received. The low bidder was Intermountain Slurry Seal, Inc. of Rocklin. Their bid was \$1,073,944.98 which is 26.3% over the engineer's estimate. Escalating petroleum prices are leading to higher than estimated bids. A list of planholders and a summary of bids is attached for your review. Attached is a memo from Procurement Services also recommending the award of the contract to Intermountain Slurry Seal, Inc.

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities". A Notice of Exemption was filed on March 29, 2006.

FISCAL IMPACT

There will be sufficient funds available to fund this project. The project will be financed partially with current year appropriations of \$500,000 in the 05/06 Road Construction Budget for Project No. 2866 "Slurry Seal FY 05/06". Additional Road and County Service Area funds, to be appropriated in the 06/07 FY budget, will be required to fund the entire project.
