

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS DATE: October 6, 2009

FROM: KEN GREHM/ CHUCK GORDON

SUBJECT: PLACER COUNTY ROSEVILLE CORPORATION YARD ENVIRONMENTAL
CONSULTING CONTRACT NO. 73192, AMENDMENT NO. 2

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution approving Amendment No. 2 to Professional Service Agreement No. 73192 with Applied Engineering and Geology, Inc. (AEG) in the amount of \$98,190 for Additional Monitoring, Request For Closure Report, and Monitoring Well Abandonment at the Placer County Roseville Corporation Yard, and authorize the Chairman of the Board of Supervisors to sign the Amendment.

BACKGROUND / SUMMARY

Two underground fuel storage tanks were removed from the Placer County Roseville Corporation Yard in August of 1997. Fuel was found to have leaked from the piping in the area. Cleanup activities have been performed since that time. In May of 2004, a Professional Services Agreement was entered into with Applied Engineering and Geology for the final stage of the cleanup. Since that time, The California Regional Water Quality Control Board has changed their requirements for closure at this type of site and now requires additional borings to obtain soil and vapor samples as well as regular ongoing monitoring. On November 27, 2007, your Board approved Amendment No. 1 to this agreement. The amendment was for additional monitoring and soil gas surveys. This work was completed in July of 2009. The County's monitoring has shown reducing levels of contaminants and we hope to obtain official closure of the site within this fiscal year.

ENVIRONMENTAL

This action is categorically exempt from the provisions of CEQA Section 15061(b)(3); no potential to cause significant environmental impact.

FISCAL IMPACT

The cost of the amendment is funded in the Fleet Services Professional Services budget for this work in Fiscal Year 2009/2010.

Attachment: Resolution

A copy of Amendment 2 is on file with the Clerk of the Board's Office.
