

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: December 8, 2009

FROM: KEN GREHM / MATT RANDALL *KG*

SUBJECT: BRIDGE REPLACEMENT PROJECTS ON DOWD ROAD AT COON CREEK AND MARKHAM RAVINE, AMENDMENTS 1 TO CONTRACT NOS. 1047 AND 1048 IN A TOTAL AMOUNT OF \$51,610

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to sign two contract amendments with LSA Associates, Inc. for additional environmental services needed to complete Federal and State environmental clearances for the bridge replacement projects on Dowd Road at Coon Creek and Markham Ravine. Amendment No. 1 to Contract 1047 will increase the amount by \$23,600, for a total not to exceed \$97,875 for the Coon Creek Bridge Project. Amendment No. 1 to Contract 1048 will increase the amount by \$28,010, for a total not to exceed \$98,340 for the Markham Ravine Bridge Project.

BACKGROUND / SUMMARY

DPW is proposing to replace the existing bridges on Dowd Road at Coon Creek and Markham Ravine. The projects are being completed under the Federal Highway Bridge Program (HBP). The projects will replace the existing bridges which are deteriorating and do not meet current design standards. The replacement bridges and improved approaches will bring each bridge into compliance with current structural, geometric, and hydraulic guidelines.

LSA Associates, Inc. was selected from an open request for proposals to perform environmental services for these projects. The original contracts were executed in 2008. Additional technical environmental studies are required to accurately determine whether or not the proposed projects have the potential to impact cultural and biological resources.

This resolution authorizes the Chairman of the Board to sign Amendment No. 1 for Contract 1047 for a total not to exceed \$97,875 for the Coon Creek Bridge Project, and Amendment No. 1 for Contract 1048 for a total not to exceed \$98,340 for the Markham Ravine Bridge Project and includes the authorization for the Director of Public Works to approve and sign amendments up to \$10,000 for each contract. Copies of the original contracts are on file with the County Clerk's Office.

ENVIRONMENTAL

The Professional Services Agreement is exempt from CEQA pursuant to CEQA Guidelines, Section 15306.

FISCAL IMPACT

The total aggregate cost of Environmental Services for these projects is \$196,215. Construction of the project is funded through the Federal HBP Program (88.53%) and County Road Fund (11.47%). There are sufficient funds available in the 2009/2010 Fiscal Year Budget.
