

MEMORANDUM
COUNTY OF PLACER
ADMINISTRATIVE SERVICES DEPARTMENT
PROCUREMENT SERVICES DIVISION

TO: Honorable Board of Supervisors

FROM: Jim Boggan, Purchasing Manager *JB*

DATE: June 8, 2010

SUBJECT: Approve the award of a Sole Source Purchase Order to Cogsdale Holdings Ltd. for Software Maintenance and Support of the Performance Accounting System in the Amount of \$119,163.00

ACTION REQUESTED

Approve the award of a sole source purchase order to Cogsdale Holdings Ltd. of Charlottetown, PE Canada for software maintenance and support of the Performance Accounting System (PAS), and authorize the Purchasing Manager to sign the resulting purchase order in the amount of \$119,163.00

BACKGROUND

In May 1997, the County contracted with KPMG Peat Marwick (also known as KPMG Consulting) for the acquisition of the PAS. The County first began using the system for its financial activity in July of 1998, but implementation of the system's various functions continued through July 1, 2001, at which time the maintenance phase began. Contracting for maintenance provides standard revisions and updates to the software without additional charges, and technical support by phone or mail for problems or questions on an as-needed basis.

In 2002, KPMG Consulting was acquired by Tier Technologies, Inc. In December of 2008 Tier Technologies, Inc. sold the PAS application to Cogsdale Holdings Ltd. who has extended the same level of service and support to all PAS clients. The current maintenance agreement with Cogsdale will expire June 30, 2010. Cogsdale Holdings Ltd. has quoted a cost of \$119,163.00 for maintenance during the period July 1, 2010 through June 30, 2011. This is the same pricing as last year. Maintenance of this software is only available from Cogsdale Holdings Ltd. Additionally, Section 1.3(i) of the Purchasing Policy Manual exempts this service from competitive bidding.

FISCAL IMPACT

The purchase order resulting from this request will be in the total amount of \$119,163.00. Administrative Services' Fiscal Impact Statement is attached.
