

Announcement

from the

Placer County Air Pollution Control District

The Placer County Air Pollution Control District is currently soliciting a medical professional for its Hearing Board:

The District Hearing Board is a statutory body appointed by the District Board of Directors to hear petitions for variances or modifications from air pollution rules or permit conditions, which includes the denial, approval, or revocation of a permit and orders for abatement.

The Board is composed of five members each with three-year terms: one lawyer, one registered engineer, two public-at-large members, and one medical professional. The medical professional member should have specialized skills, training, or interest in the fields of environmental medicine, community medicine, or occupational/toxicological medicine.

The Placer County Air Pollution Control District Hearing Board is convened on an as-needed basis. The District reimburses mileage to and from the meetings and provides a stipend of \$100 per member for each meeting attended. The successful candidate will be required to submit a Conflict of Interest Form 700 annually as required by the California Fair Political Practices Commission.

Applications can be found on the Placer County web site under Air Pollution Control www.placer.ca.gov/apcd. If you have questions, please contact the District at 530-745-2330.
