Free Shade Trees Available

FREE SHADE TREES FOR RESIDENTS

Placer County is partnering with The Placer Nature Center and Placer Tree Partners to give away shade trees to residents of unincorporated areas of the county who attend a shade tree seminar on December 5.

The giveaway is part of an effort to provide information to residents about the benefits of trees. The funding for the program comes through a grant from CalFire's Urban Forestry Unit. About 200 shade trees will be provided for planting in the unincorporated areas of western Placer County.

To get a free tree, county residents need to register and attend a free seminar on December 5 at the Placer County CDRA Building, 3091 County Center Drive, corner of Bell Road and Richardson Drive. Residents may choose to attend the free seminar at 9:30 a.m., 10:30 a.m. or 11:30

a.m. The seminar
will cover tree
selection, choosing
a planting site,
Arborists and
offer advice and
will leave the
with the
they mature in

methods: fax, e-registration,

proper planting techniques, and tree care.

Master Gardeners will be available to
answer homeowner questions. Residents
seminar not only with their trees, but
knowledge to plant and care for them as
their landscape.

Registration can be done by multiple mail or regular mail or online. For fax download and fill out the application and

fax to 530-745-3080. Residents may also register through email by providing name, address, and seminar time to events@placernaturecenter.org or by phone at 530-

745-3076. Online registrations can be made at www.placernaturecenter.org. Applications can also be mailed to 3700 Christian Valley Rd., Auburn, CA 95602.

Registration closes on Nov. 27, 2009, and space is limited.
