## A. Placer County Emergency Call Routing Information:

A representative of the Placer County Sheriff's Department will discuss the new routing of 911 calls made from cell phones in the unincorporated Placer County areas. The Sheriff's representative will discuss the specific areas within the County where these calls will still go to CHP and where they will go directly to Placer County's dispatch.

Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in public meetings. If you require disability-related modifications or accommodations, including auxiliary aid or services, please contact the Board of Supervisors' office at (530) 889-4010.

#### **B.** Granite Bay Road Project Update:

Sherri Berexa from Placer County Public Works department will give the community an update on both the Auburn-Folsom Road widening project as well as the Barton Road bridge project.

# C. Granite Bay Community Plan Update:

The County of Placer will be initiating an update to the Granite Bay Community Plan adopted in 1989. The purpose of the update will be to insure that community's goals, policies and programs are up to date and consistent with the County General Plan. The update will also consider changes in land use.

At this time County staff is developing a work program which will include a sixmonth opportunity for a property owner to changes in their zoning and land use designation. It is anticipated that this opportunity would begin in January 2009. County staff will provide guidelines for property owners who wish to consider changes.

Once all requests have been submitted and considered, the work program will entail the development of a new policy document, zoning map, land use diagram and an environmental impact report. This process is expected to take at least 2 years.
