**ACTION REQUESTED**

Approve appropriation of \$250 in Revenue Sharing monies to the Auburn Mermaids *Synchronized Swimming Team* as requested by Supervisor Holmes (\$250).

**BACKGROUND/COMMUNITY BENEFITS:** In approving the following contributions, the Placer County Board of Supervisors finds that each and every approved contribution serves a public purpose by promoting the general welfare of the County and its inhabitants therefore a benefit results to the County.

The Board of Supervisors is being asked once again to approve appropriations to help fund the Auburn Mermaids *Synchronized Swimming Team*. The Auburn Mermaids Synchronized Swimming Team is a group of fifty local girls ages six through eighteen years of age. The organizations activity encourages teamwork, coordination, grace and physical fitness for young girls. The goal this year is to improve the sitting and viewing area for the Marsha Skinner Pool, which is used by Auburn Robalos, Auburn Mermaids, Placer High School and the community. This will allow family, friends and visiting teams to enjoy watching and cheering on their athletes. The funds designated towards this project will allow them to accomplish this goal.

**FISCAL IMPACT**

Funds are available in the Revenue Sharing budget.
