

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: March 27, 2012

FROM: <sup>KD</sup> KEN GREHM / PETER KRAATZ

SUBJECT: **BRIDGE REPLACEMENT PROJECT ON DOWD ROAD AT YANKEE SLOUGH, CONTRACT NO. 1046, AMENDMENT NO. 1**

---

## **ACTION REQUESTED / RECOMMENDATION**

Adopt a Resolution authorizing the Director of Public Works to execute Contract No. 1046, Amendment No. 1, in the amount of \$35,000 with LSA Associates, Inc. for additional environmental services necessary to incorporate design changes required by the Central Valley Flood Protection Board, with County Counsel and Risk Management review and approval, and to approve future contract amendments up to an amount of \$10,000. These contract amendments for additional professional services will increase the total contract to a total not to exceed \$113,180 including contingencies.

## **BACKGROUND/SUMMARY**

DPW is proposing to replace the existing bridge on Dowd Road at Yankee Slough. The project is being completed under the Federal Highway Bridge Program (HBP). The project will replace the existing bridge which is deteriorating and does not meet current design standards. The replacement bridge and improved approaches will bring the bridge into compliance with current structural, geometric, and hydraulic guidelines.

LSA Associates, Inc. was selected from an open request for proposals to perform environmental services for this project. Your Board approved Professional Services Agreement 1046 on June 10, 2008 for environmental services needed to prepare technical studies and documentation needed to obtain CEQA and NEPA environmental clearances. The Central Valley Flood Protection Board is requiring the County to raise the proposed bridge and approaches to provide additional clearance over flood water surface elevations. Additional technical environmental studies are required to accurately determine whether or not the revised project has the potential to impact cultural and biological resources.

This resolution authorizes the Director of Public Works to execute Amendment No. 1 for contract 1046 with County Counsel and Risk Management approval in the amount of \$35,000 and to approve future contract amendments up to an amount of \$10,000. These contract amendments for additional professional services will increase the total contract to a total not to exceed \$113,180 including contingencies

## **ENVIRONMENTAL**

The Professional Services Agreement is exempt from CEQA pursuant to CEQA Guidelines, Section 15306.

## **FISCAL IMPACT**

The professional services agreement is for an amount not to exceed \$113,180. The total estimated project cost is \$3,900,000. The project is funded through the Federal HBP Program (88.53%) and County Road Funds (11.47%). There is sufficient funding available in the FY 11/12 budget for this contract amendment.
