

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: April 24, 2012
FROM: ^{XD} KEN GREHM / PETER KRAATZ
SUBJECT: COOK RIOLO ROAD BRIDGE REPLACEMENT PROJECT,
CONTRACT NO. 1125 – CONTRACT AWARD

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chair of the Board to award and execute the construction contract for the Cook Riolo Road Bridge Replacement Project, with County Counsel and Risk Management review and approval, to the lowest responsible and responsive bidder, MCM Construction, Inc. for \$6,888,888.00, and authorize the Director of Public Works to execute contract change orders up to an amount of 10% of the contract amount.

BACKGROUND / SUMMARY

The Department of Public Works is proposing to replace the existing bridge on Cook Riolo Road over Dry Creek. The one lane bridge structure is deteriorated and subject to frequent flooding. The project is being completed under the Federal Highway Bridge Program (HBP). The future bridge will have two 12-foot lanes for traffic, two 4-foot shoulders and a dedicated 10-foot pedestrian/bikeway that will have a concrete barrier between the vehicle traffic and the pedestrians/bicycles.

DPW staff has met with the local residents and the MAC to review the proposed improvements. By implementing an economical and context sensitive design philosophy, County staff and residents were able to develop a mutually acceptable design and architectural appearance. The proposed bridge will preserve the rural atmosphere desired by the residents while still providing a bridge and roadway approaches designed to current standards. The new bridge will also improve hydraulic capacity in the area.

Your Board authorized the Department of Public works to advertise for bids on December 13, 2011 using local funds in advance of Federal Funding Authorization. Federal Funds were converted on February 21, 2012. The bid opening was on April 9, 2012. The Department of Public Works is seeking authorization from the Board for the Chair to award and execute the construction contract to MCM Construction, Inc., the lowest responsive and responsible bidder.

ENVIRONMENTAL

The Board of Supervisors certified and approved the Initial Study / Mitigated Negative Declaration (IS/MND) with the required findings and mitigations under CEQA on January 13, 2009. The project was granted a Categorical Exclusion under NEPA on August 27, 2008.

FISCAL IMPACT

The construction contract cost is \$6,888,888.00. The project is funded through the Federal HBP Program (80-88.53%) and a combination of County Road Funds and Fee Mitigation Programs (11.47-20%). There is sufficient funding available in the FY 11/12 budget for this construction contract.
