Dear Supervisor Holmes,

My name is Rebecca Lopez King and I am a Kindergarten teacher at Rock Creek Elementary School in Auburn. I am writing to request your assistance in helping my kindergarten student's visit, tour and get their first library card at our county library located on Nevada Street here in Auburn.

Our transportation (Placer County Transit) costs have increased and in these difficult times families' incomes are stretched to the max. I have titled this trip as a rite of passage for young readers. All of the students have just begun to read for the first time and this magic library card will open up a new world of enjoyment for them to use over the summer months and years to come.

This is a big day for the students and you could swear they grow at least two inches on this special afternoon. We then go to the amphitheater, eat lunch, play a little, and enjoy our books or just talk. After we have digested our healthy lunch we hike down to "Foster Freeze" where we enjoy a small dipped cone in celebration of our special day.

We hope you will be able to support our trip and thank you very much for your time.

Respectfully,

*Mrs. Lopez King*
