

**MEMORANDUM**  
**COUNTY OF PLACER**  
**PROCUREMENT DIVISION**  
2964 Richardson Drive  
Auburn, CA 95603

TO: Honorable Board of Supervisors  
FROM: Brett Wood, Purchasing Manager *BW*  
DATE: May 22, 2012  
SUBJECT: Recommendation to Declare Vehicles, Vehicle Parts, and Miscellaneous Items as Surplus and Authorize Disposal

---

**RECOMMENDATION**

Declare vehicles, vehicle parts, and miscellaneous items listed on Attachment A as surplus and authorize their disposal.

**BACKGROUND**

The Procurement Services Division has received a list of vehicles, vehicle parts, and miscellaneous items which the Department of Public Works, Placer County Fire, and Sheriff's Department have identified as having reached the end of their useful life. The complete inventory is shown on Attachment A. Certain lower mileage vehicles on the list are being disposed of because they are unreliable or too costly to repair. The vehicles have been removed from service by all applicable departments and divisions.

On March 27, 2012, your Board authorized the execution of contracts with Public Surplus and Gov Deals for on-line surplus disposal in accordance with all County Policies for auctioneering services. Both of the online vendors have systems that will provide reporting on sales and allow us to monitor and manage sales to meet our policies and requirements.

The County also has a contract with Brasher's Sacramento Auto Auction of Rio Linda, CA for vehicle auctioneering services. The contract requires the auctioneer to pick up the County's surplus vehicles and sell them at the contractor's auction yard.

Section 2.1 (i) of the Purchasing Policy Manual requires your Board's approval of surplus declarations that exceed \$2,500. While the eventual auction bid for some of the vehicles and miscellaneous items may not meet this threshold, we cannot determine the auction bids in advance, so all vehicles with the potential to exceed \$2,500 are included.

**FISCAL IMPACT**

This action generates revenue which will be used by the County for future vehicle and equipment purchases.
