DEVON BELL  
UNDERSHERIFF

**To:** The Honorable Board of Supervisors  
**From:** Edward N. Bonner, Sheriff-Coroner-Marshal  
**Date:** June 19, 2012  
**Subject:** Placer County Sheriff-Coroner-Marshal and Nevada County Sheriff Contract for Pathology and Morgue Services

---

**Action Requested**

Approve Amendment No. 2 exercising the option to renew the contract for the Placer County Sheriff's Office to provide pathology and morgue services to the Nevada County Sheriff's Office (NCSO) for Coroner cases under their jurisdiction. The term of this contract is from July 1, 2012 to June 30, 2013. The annual amount of the contract will remain \$100,000.

**Background**

In February 2009 Placer County updated the pathology services provided to Nevada County to include services related to organ and/or tissue recovery and crime scene response in addition to the pathology services previous provided. Placer County continues to employ Dr. Henrikson as a contract employee to perform Coroner's services in addition to having supporting contracts for Pathology and Diener (morgue assistant) services. During these economic times it is in both Placer County and Nevada County's best interest to continue to share these services to help reduce the overall costs. It provides both counties with dependable services which traditionally have been difficult to obtain. Nevada County annually pays \$100,000 for up to 120 coroner cases, which goes towards the Pathologist's \$355,968 annual contract. Reasonable adjustments are provided within the contract should Nevada County exceed 120 cases and the actual cost of the services exceed the \$100,000 currently allocated.

**Fiscal Impact**

The \$100,000 revenue received from Nevada County for pathology services has been included in the FY 2012-2013 Sheriff's Office Proposed Budget. There is no impact to the General Fund.
