SHERIFF-CORONER-MARSHAL

DEVON BELL
UNDERSHERIFF

To: The Honorable Board of Supervisors
From: Edward N. Bonner, Sheriff-Coroner-Marshall
Date: July 10, 2012
Subject: Specialized Equipment from the Local Community Benefit Committee Grant

Action Requested

Accept the Local Community Benefit Committee (LCBC) Grant funding of \$10,300 for the Sheriff's Office Special Enforcement Team (SET) to purchase specialized camera equipment. Your approval is also requested to add the equipment to the FY 2012-13 Master Fixed Asset List.

Background

In May 2012 we were notified of the grant award from the LCBC to purchase an advanced technology, under the door, camera system for an estimated cost of \$10,300. This tool would minimize the risk to human life and allow us to react to unexpected threats and provide valuable tactical intelligence that can save lives and reduce damage to property. The monitoring station allows Tactical and Incident Commanders the ability to view and record the robot's live video transmissions from the command post, which can be located up to 1,000 feet away.

Fiscal Impact

The grant funding of \$10,300 will be included in our FY 2012-2013 Final Budget. There is no impact to the General Fund.
