ACTION REQUESTED / RECOMMENDATION

Receive an update regarding the non-profit organization Save Auburn Ravine Salmon and Steelhead (SARSAS) including the upcoming Third Annual Calling Back the Salmon Celebration.

BACKGROUND / SUMMARY

The mission of Save Auburn Ravine Salmon and Steelhead (SARSAS) is to return salmon and steelhead to the entire length of the Auburn Ravine. SARSAS believes the health and well-being of Salmon is directly linked to that of people. If the health and well-being of Salmon are improved, SARSAS believes the health and well-being of mankind and therefore ourselves is improved. An informational presentation about SARSAS will include its history, goals and accomplishments. Information will also be shared about the upcoming Third Annual Calling Back the Salmon Celebration scheduled for September 29 -30th at McBean Park in Lincoln from 12-5 pm each day. The goal of the celebration is twofold: 1) to bring together the community to join in the effort to return migrating salmon and steelhead to Auburn Ravine; and 2) to empower and inspire citizens to actively protect and conserve all that lives in and around Auburn Ravine. The Spiritual Blessing of the salmon in the Auburn Ravine is the Native American's cultural and sacred contribution to the celebration. One week after the first spiritual blessing three years ago, salmon returned to the City of Lincoln in the Auburn Ravine. The Calling Back the Salmon Celebration is certain to be a full day of activities, food, culture, art and live music, of fun and enjoyment for everyone.
