

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS

DATE: May 23, 2006

FROM: KEN GREHM^{YD}/KEVIN ORDWAY^{KO}

SUBJECT: **SQUAW VALLEY ROAD BRIDGE REHABILITATION PROJECT - CONTRACT NO. 73241**

ACTION REQUESTED / RECOMMENDATION

Approve a Resolution authorizing the Chairman to sign a contract with Harris and Associates in the amount of \$247,440 for the construction management, inspection, and materials testing services for the Squaw Valley Road Bridge Rehabilitation Project and authorize the Director of Public Works to approve and sign contract amendments for additional Professional Services not to exceed \$37,000.

BACKGROUND / SUMMARY

DPW is proposing to replace the existing bridge superstructure on Squaw Valley Road over Squaw Creek. The project is being completed under the Federal Highway Bridge Rehabilitation and Replacement Program (HBRR). The existing bridge superstructure has deteriorated over the years due to de-icing salts and the harsh mountain environment and needs to be replaced. Squaw Valley Road will remain open during the phased construction. The project will be constructed during the summer and fall of 2006.

Requests for Proposals (RFPs) were sent to four consultants. Two consultants submitted proposals in response. After evaluating the proposals, Harris and Associates was the highest rated firm. This resolution authorizes the Chairman to sign a contract with Harris and Associates for professional services for the amount of \$247,440, and includes the authorization for the Director of Public Works to approve and sign amendments up to \$37,000. The Procurement Division of Administrative Services supports award of contract to Harris and Associates.

ENVIRONMENTAL

The Professional Services Agreement is exempt from CEQA pursuant to CEQA Guidelines, Section 15306.

FISCAL IMPACT

The construction cost of the proposed project is estimated at \$1,000,000. The project is funded through the Federal HBRR Program (88.53%) and County Road Funds/Traffic Fees (11.47%). There are sufficient funds available in the proposed FY 05/06 budget to accommodate this contract.
