

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS DATE: JUNE 27, 2006  
REVISED

FROM: KEN GREHM

SUBJECT: ESTABLISH ZONE OF BENEFIT NO. 199 IN COUNTY SERVICE AREA 28  
(SILLER RANCH (MARTIS CAMP) – WATER QUALITY MONITORING) AND SET A FEE  
FOR SERVICES

---

## ACTION REQUESTED / RECOMMENDATION

Conduct a public hearing, consider all protests, tabulate ballots, and adopt a Resolution creating Zone of Benefit No. 199 and setting charges to manage surface and ground water quality in the Martis Valley watershed.

## BACKGROUND

Zones of benefit are created within County Service Area No. 28 to fill the services funding gap between general County services and special services. This particular developer's conditions of approval require a funding mechanism for permanent water quality control features and monitoring to ensure that run-off will meet the Water Quality Control Plan for the Lahontan Region (Basin Plan) water quality objectives for Martis Creek as well as comply with the Basin Plan's narrative water quality objectives. A CSA Zone of Benefit has been identified as the best way to fund this program.

The Siller Ranch (Martis Camp) project is located on approximately 2177 acres and proposes the development of 653 residences, community recreation facilities, golf course, amphitheatre, ski facilities, a maintenance compound, a network of private trails and public multi-purpose public trails with regional trail connections. The area is specifically described in Exhibit "A", attached hereto and made a part hereof.

Pursuant to Proposition 218, the property owner of record of the existing parcels of the Siller Ranch (Martis Camp) project has signed a ballot. The property owner approved, by way of this ballot, an annual charge per parcel based on the estimated residential dwelling units created by this map and future final maps. The estimated assessment for each future residential dwelling unit is \$670. In lieu of receipt of mailed notice of this hearing, the owner of the existing parcel has executed a waiver. Your Board is required to conduct a Public Hearing to consider all protests and tabulate the ballots. Your Board must also adopt a Resolution to impose the parcel/dwelling unit charge.

## ENVIRONMENTAL CLEARANCE

This is an administrative action required pursuant to the conditions of approval for this subdivision. As such, it is not a separate project and is not subject to further environmental review.

## FISCAL IMPACT

The \$670 per parcel charge will be levied on each existing parcel based on the estimated number of future residential dwelling units and then further divided by each new parcel created in subsequent final maps. The ballot also allows for an annual cost of living increase for this CSA charge. These charges are supported by a detailed engineer's report prepared by a registered professional engineer.
