

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors

FROM: David Seward, Purchasing Manager 

DATE: December 19, 2006

SUBJECT: Approve cancellation of Bid No. 9582 and Award Bid No. 9627 to TNT Industrial Contractors, Inc. in the Amount of \$142,813.00 for the Replacement of Compressor Pumps at the Auburn CNG Fueling Station

ACTION REQUESTED

Cancel Bid No. 9582 and award Bid No. 9627 to TNT Industrial Contractors, Inc. of Sacramento, CA, for replacement of CNG compressor pumps, and authorize the Purchasing Manager to sign the resulting contract in the amount of \$142,813.00.

BACKGROUND

The Department of Public Works plans to expand the Auburn CNG (compressed natural gas) Fueling Station. The first step in this expansion plan is to replace the two existing CNG compressor pumps at the fueling station. Originally, bids were solicited to overhaul the pumps, however, due to significant revisions to the scope of work and bid requirements, the bid was canceled and a re-bid was released for the replacement of the existing CNG compressor pumps with new pumps. A sole bid response in the amount of \$142,813.00 was received from TNT Industrial Contractors. Procurement and Public Works evaluated the components of TNT's bid price and concluded that it is reasonable based on the requirements of the bid. Due to the specialized nature and bid requirements of this project, Procurement and Public Works believe that a re-bid would not yield a lower bid price.

In accordance with Section 2.1(c) of the Purchasing Policy Manual, this award requires your Board's approval.

FISCAL IMPACT

The contract resulting from this recommendation will total \$142,813.00. Public Works has budgeted adequately for this expenditure.

cc: Will Garner, Public Works
Cynthia Taylor, Public Works
