Dear Supervisor Holmes:

It is once again time to begin planning in earnest for the premier aviation event of the season, Auburn Aviation annual air fair. Food, fun and flying for the entire family. This popular event is a favorite of Northern California war bird pilots because it is well organized and we have plenty of activities for everyone. The event will feature war birds, vintage aircraft and autos, food and craft vendors, and a radio controlled aircraft demonstration, always a crowd favorite.

We hope you will consider participating this year by your generous support. After show expenses, proceeds will go to funding scholarships for aspiring high school students with an interest in aviation, and to the Auburn Area Cancer Endowment Fund. If you would like more information on these two worthy recipients, I would be happy to provide history and/or literature.

The theme this year is "On the Wings of Eagles - a tribute to youth". Please consider giving this wonderful community event your generous support. If I can answer any questions, please give me a call at 530-906-0863 (cell phone is always on). Thank you in advance for your consideration.

Sincerely,
