MEMORANDUM

TO: Honorable Board of Supervisors
FROM: Thomas M. Miller, County Executive Officer
By Maryellen Peters, Director of Risk Management
DATE: August 22, 2006
SUBJECT: PLACER COUNTY COMBINED GIVING CAMPAIGN

ACTION REQUESTED

Approve the attached resolution proclaiming September 2006 as "Placer County Combined Giving Campaign Month" and authorize solicitation of County employees as part of the 2006 campaign.

BACKGROUND

The Placer Combined Giving Campaign enters into its fourteenth year in 2006. Traditionally, business, government, and the non-profit agencies come together in an effort to meet critical needs of the community through voluntary workplace giving. Last year, Placer County employees generously contributed a total of over \$129,000 through the Campaign.

PROBLEM STATEMENT

The County of Placer is again planning to participate in a Combined Giving Campaign within all County departments. As with last year, the campaign will include agencies affiliated with Earth Share of California, United Way California Capitol Region, Community Health Charities, The Metropolitan Arts Partnership, Placer Community Foundation as well as the Placer County Trust Fund for Animals, the Placer County Open Space – Placer Legacy Fund, and Employee Scholarship Fund.

Campaign leaders from each department will be providing information and pledge forms to all County employees in September. Last year over 400 employees participated in this campaign. We hope to continue this means of allowing the generous spirit of County employees to be realized through giving back to their community.

FISCAL IMPACT

There are minimal costs to the County for staff time to run the campaign, usually limited to a few hours per department campaign leader and campaign team members, plus a nominal cost for payroll processing.
