

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: APRIL 3, 2007

FROM: KEN GREHM / KEVIN ORDWAY 

SUBJECT: **BARTON ROAD BRIDGE AT MINERS RAVINE REPLACEMENT PROJECT, CONTRACT NO. 73028, AMENDMENT NO. 6**

---

## **ACTION REQUESTED / RECOMMENDATION**

Approve a Resolution authorizing the Chairman of the Board to execute Contract No. 73028, Amendment No. 6 with MRO Engineers, Inc. for construction support services for the replacement bridge and roadway approaches and authorizing the Director of Public Works to sign further contract amendments up to \$40,000. This contract Amendment No. 6 for additional professional services will increase the contract by \$55,000 for a total not to exceed amount of \$421,789.00 for final design and construction support for the Barton Road Bridge Replacement Project.

## **BACKGROUND/SUMMARY**

The Department of Public Works is proposing to replace the existing bridge on Barton Road over Miners Ravine. The bridge structure is deteriorated and subject to frequent flooding and the roadway approaches to the bridge do not meet current standards. The project is being completed under the Federal Highway Bridge Rehabilitation and Replacement (HBRR) Program.

The initial contract for Professional Services was executed in 1997. Since then, there have been a series of contract amendments and reallocations as various alignments were studied and as required in obtaining environmental approval and community support.

A final bridge alignment has been chosen that meets County design standards, is economically feasible and is acceptable to the community. This resolution authorizes the Chairman of the Board to sign contract Amendment No. 6 for \$55,000 with MRO Engineer's, Inc for construction support services for the replacement bridge and roadway approaches, increasing the total contract amount including all amendments to \$421,789 and authorizes the director of Public Works to approve and sign amendments up to \$40,000.

## **ENVIRONMENTAL**

NEPA clearance was obtained with a Categorical Exclusion in July of 2006. CEQA is complete and a Mitigated Negative Declaration was approved by the Board on August 22, 2006. A Notice of Exemption has been filed.

## **FISCAL IMPACT**

The total cost of the Professional Engineering services for the Barton Road Bridge at Miners Ravine Replacement Project is \$421,789.00. The project is funded by the Federal HBRR Program (80%/88.53%) and County Road Funds (20%/11.47%). (The Right-of-Way phase and Construction phase will be reimbursed at the higher amount; all other phases are reimbursed at the 80% amount.) There is sufficient funding available in the FY 06/07 budget for this contract amendment.

A copy of Amendment #6 is on file with the Clerk of the Board.

# Before the Board of Supervisors County of Placer, State of California

In the matter of: A RESOLUTION AUTHORIZING THE CHAIRMAN OF THE BOARD TO EXECUTE CONTRACT AMENDMENT NO. 6 BETWEEN MRO ENGINEERS, INC. AND THE COUNTY OF PLACER FOR CONSTRUCTION SUPPORT FOR THE BARTON ROAD BRIDGE AT MINERS RAVINE REPLACEMENT PROJECT, CONTRACT NO. 73028
