SUBJECT: AWARD OF CONTRACT NO. 1008 FOR SLURRY SEAL, SUMMER 2007

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution to award Construction Contract No. 1008, Slurry Seal – Summer 2007, to Intermountain Slurry Seal, Inc. in the amount of \$634,040.00, plus a contingency of 5%. BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. A slurry seal is a road resurfacing process that provides a new wearing surface, some crack filling, pavement rejuvenation, and sealing. The construction requires special equipment, which mixes an asphalt emulsion with coarse sand and spreads the resulting slurry over the surface of the road. Slurry seals are applied on selected maintained public roadways each year.

Bids were opened on April 17, 2007. Four (4) bids were received. The low bidder was Intermountain Slurry Seal, Inc. of Rocklin. Their bid was \$634,040.00. Bid Summary results (Attachment A), and a Plan holders List (Attachment B) are included for your reference. Attached is a memo from Procurement Services also recommending the award of the contract to Intermountain Slurry Seal, Inc.
