Dear Supervisor Weygandt and Members of the Board:

I respectfully ask your consideration in sponsoring our Celebrity Waiter Luncheon Fundraiser on Friday, June 8, 2007.

Since 1996, the Lighthouse Counseling and Family Resource Center has provided health and wellness services in Lincoln and most recently celebrated its one-year anniversary as a private, non-profit organization (tax ID 35-2252834).

Our goal is to provide readily accessible services to children, individuals and families who are in need of physical, emotional and mental health services to improve their quality of life. The demand for services has far exceeded expectations with well over 1,000 citizens already served this year.

The Lighthouse partners with numerous public and private organizations with services made possible by the generous support of grants and private donations. We are proud to be the only one-stop multi-service center in Lincoln that provides a variety of services including counseling, health insurance enrollment, family planning clinic, WIC nutrition program, parent education, information and referrals to other community resources.

The Lighthouse is dedicated to the health and well-being of our community. On behalf of the Board of Directors, I thank you for your consideration and support in helping us build a healthy community and a promising future.

Sincerely,

Bonnie Gore, Chair
Lighthouse Counseling & Family Resource Center
