MEMORANDUM

TO: Honorable Board of Supervisors
FROM: Michael J. Johnson, Director
Planning Department, Community Development Resource Agency
DATE: August 7, 2007
SUBJECT: REFUND REQUEST – PMLD 20070354 – SHELLI KING

ACTION REQUESTED:

The Planning Department recommends that the Board of Supervisors approve a refund request of \$1,200.00 to correct an over-charge on a Planning application.

BACKGROUND:

In May 2007, Shellie King applied for a Minor Land Division. Ms. King was charged \$4,825.00 for creating four parcels when, in reality, she was only creating three parcels. The Planning Department has concluded a refund in the amount of \$1,200.00 is appropriate.

FISCAL IMPACT:

The monies that would be refunded to the applicant will be taken from the appropriate Minor Land Division account.
