

MEMORANDUM
COUNTY OF PLACER
PROCUREMENT DIVISION
2964 Richardson Drive
Auburn, CA 95603

TO: Honorable Board of Supervisors

FROM: David Seward, Purchasing Manager 

DATE: August 7, 2007

SUBJECT: Recommendation to Declare Vehicles and Miscellaneous Equipment as Surplus and Authorize Disposal by Public Sale

RECOMMENDATION

Declare vehicles and miscellaneous equipment listed on Attachment A as surplus and authorize their sale.

BACKGROUND

Procurement has received a list of vehicles and equipment which the Department of Public Works (DPW) Fleet Operations, Health & Human Services (HHS) and the Sheriff's Department have identified as having reached the end of their useful life cycle. The complete inventory of vehicles and equipment is shown on Attachment A. Certain lower mileage vehicles on the list are being disposed of because they are unreliable or too costly to repair. The vehicles and equipment have been removed from service by all applicable departments and divisions.

The County has a contract with Bar None Auction of Placerville for auctioneering services. The contract requires the auctioneer to pick up the County's surplus vehicles, equipment, and miscellaneous surplus items in the surplus warehouse and sell it at their various locations.

Section 2.1 (I) of the Purchasing Policy requires your Board's approval of surplus declarations that exceed \$2,500.00. While the eventual auction bid for some of the equipment may not meet that threshold, we cannot determine the auction bid in advance, so all items with the potential to exceed \$2,500 are included.

FISCAL IMPACT

This action generates revenue, which will be used by the County for future vehicle and equipment purchases. Bar None charges a 6% commission on the proceeds from the sale of vehicles and 15% commission on the sale of miscellaneous equipment. The previous surplus sale approved by your Board on July 25, 2006 resulted in net proceeds of \$73,935.70 to Placer County.
