Dear Robert,

On behalf of the Placer County Chapter of Ducks Unlimited, I'd like to bring you up to date on last year's successes and ask you to reserve **November 15, 2007**, as the date for this year's fundraising dinner at McBean Park Pavilion in Lincoln, California.

2006 was a good year for Ducks Unlimited and its Placer County Chapter – the chapter netted over \$44,000 at last year's successful dinner. With these funds, in addition to monies raised at dinners across the United States, Ducks Unlimited now has restored and conserved over **11 million** acres for wetland habitat.

We have committed to raising \$25,000 in underwriting for this year's dinner. **It would be very much appreciated if you would help us in this effort** (see Sponsorship Levels enclosed) with a donation of **\$250.00 to \$5,000.00**. During the dinner, we will **recognize and promote** the patronage of our donors in many ways. Their names will appear in the **program**, there will be **signs** by the underwritten items, and their support will be **acknowledged** during the raffle and auction.

\$25,000 is a lofty goal but, with your support, we **can** do it. And to start things off, our own committee members have pledged over **\$2,000.00** towards this goal.

So, please reserve the evening of November 15, 2007, for our 32nd Annual Banquet. We're planning a dinner that will be worthy of the Placer County Chapter's goal of raising its **second** million dollars for habitat conservation. And, as always, we'll have fun.

Best Regards,

Tom Jones, Chairman  
Placer County DU Committee
