

Memorandum
Office of Jenine Windeshausen
Treasurer-Tax Collector
County of Placer

To: The Honorable Board of Supervisors

From: Jenine Windeshausen, Treasurer-Tax Collector 

Date: December 11, 2007

SUBJECT: Temporary borrowing of Treasury funds by South Placer Fire Protection District.

Action Requested:

Ratify the temporary borrowing of Treasury funds, for an additional amount estimated to be \$850,000 for fiscal year 2007/08, by the South Placer Fire Protection District, Fund 531 sub-fund 430, as prescribed by the California State Constitution.

Background:

Resolution No. 96-22, Placer County Treasurer's Dry Period Financing Policy, adopted by your Board on February 6, 1996 provides for short-term borrowing of money to cover cash flow shortfalls, typically created by an even expenditure stream combined with an uneven revenue stream. Through application to the Treasurer, dry period financing is available to those districts whose funds are in the custody and paid out solely through the Treasurer's office.

South Placer Fire Protection District requested temporary borrowing of Treasury funds for an original \$750,000 which was approved by your Board on October 22, 2007. The amount of the current request plus the previous amount requested totals \$1,600,000. Total amount of requested temporary borrowing of Treasury funds for fiscal year 2007/2008 is \$1,600,000.

A copy of the application received by the Treasurer from the South Placer Fire Protection District is attached.

Fiscal Impact:

The interest rate charged to the District will be the same rate of interest that the Treasurer's investment pool apportions each month. The District expects to repay the amounts borrowed by December 2007, after taxes are apportioned. Amounts borrowed shall be replaced from the revenues accruing to the District before any other obligation of the District is met from such revenue.
