Dear Mr. Weygandt,

I am writing to you on behalf of my organization, Child Advocates of Placer County to inquire about potential financial assistance for Child Advocates and our Court Appointed Special Advocate (CASA) program for children. Our CASA volunteers are community members who undergo over 30 hours of training to become sworn officers of the Placer County Juvenile Court. As such, they advocate in court for the best interests of abused and or neglected foster youth, providing the presiding judge with recommendations for permanent placement and communicating the child's wishes.

To give you a better understanding of what we do, I am attaching a little background information and a newsletter and brochure, along with a copy of our IRS non-profit letter. Should you have any questions, please do not hesitate to contact me at (530) 887-1006, or by email: [don@casaplacer.org](mailto:don@casaplacer.org). We would greatly appreciate any support or funding your office could provide.

Thank you for your consideration.
