

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: February 5, 2008

FROM: KEN GREHM / KEVIN TABER

SUBJECT: ROAD MAINTENANCE DIVISION BUDGET/10-WHEEL WATER TRUCK FIXED ASSET REVISION

ACTION REQUESTED / RECOMMENDATION

Approve a revision to the Road Maintenance Division's list of Fixed Assets for the 07/08 budget by changing one of the listed 10-wheel dump trucks to a 10-wheel water truck.

BACKGROUND / SUMMARY

The Road Maintenance Division applied for and will receive federal air quality grants for the replacement of older diesel powered heavy vehicles. Because there is such a long lead time in the federal approval process, eight vehicles in the 07/08 budget are generically identified as "10-Wheel Dump Trucks". One of these replacement vehicles, while utilizing the same 10-wheel chassis as a dump truck, is a water truck. To continue with the procurement of this vehicle, we must amend the Fixed Asset list in accordance with the Purchasing Policy Manual. The approval for the purchase of this vehicle is requested in a separate Procurement Division item on this agenda.

ENVIRONMENTAL

The following action is not a project as defined by Public resources Code Section 21065, and is therefore exempt from environmental review under CEQA.

FISCAL IMPACT

None. The purchase of these diesel replacement vehicles is already in the 07/08 budget.
