County of Placer Board of Supervisors

Dear Ms. Walsh:

Sierra College Foundation is proud to present the fourth annual *A Taste of Excellence*, a Food and Wine Tasting Gala. This premier event of Placer County will be held on Saturday, April 26, 2008 in Roseville. *A Taste of Excellence* is the Foundation's largest fund-raising effort and includes a tasting of fine foods and wines from the best restaurants and wineries in Northern California, as well as a silent and live auction. We anticipate over 500 attendees with a ticket price of \$75 per person.

Last year with your generous sponsorship we were able to raise over \$175,000. Funds raised from this event helped increase the Technology Endowment Fund and increased the Scholarship Endowment Fund for Sierra College students. We would like to invite you to participate again as a sponsor in this elegant affair.

Sierra College provides young people with an affordable, local link to four-year colleges and universities. The college also provides local residents with essential career development opportunities, ensuring that local employers have a talented, well-trained workforce. The Osher Lifelong Learning Institute and Community Education Programs offer life enrichment classes to all members of the community. Sierra College programs in public safety, health care, and technology, fill a critical need and deliver quality education for our community.

Sierra College Foundation, a 501(c) (3) organization, raises funds to help support the needs and mission of the College. In addition to awarding over \$200,000 in scholarships each year, the Foundation also helps support worthy programs and projects on campus that are left unfunded due to budget restraints.

Sierra College Foundation can not host events of this caliber without the support of the community. Last year our sponsors were instrumental in our amazing success and we hope we can count on your sponsorship again this year. The proceeds from this event will assist the Foundation in providing support to programs that directly affect our students and community.

Sponsorship opportunities and fax back forms are attached for your review. If you have any questions, please contact the Foundation office at (916) 789-2920, or visit the website at: [www.sierracollege.edu/foundation](http://www.sierracollege.edu/foundation). We thank you for your consideration and hope that we can count on your continued support for this very worthwhile community event.

Sincerely,
