MEMORANDUM

TO: Honorable Board of Supervisors

FROM: Stephen G. Pecor, Chief Probation Officer

DATE: March 6, 2008

SUBJECT: Approval of resolution authorizing the Chief Probation Officer to sign and approve an annual contract in the amount of \$40,140 with the California Department of Corrections and Rehabilitation.

ACTION REQUESTED

Approve the attached resolution authorizing the Chief Probation Officer to sign and approve an annual contract in the amount of \$40,140 with the California Department of Corrections and Rehabilitation (formerly CYA) for the purpose of providing comprehensive diagnostic, therapeutic, and rehabilitative services to minors residing in California as specified in Welfare and Institutions Code.

BACKGROUND

The State of California has authorized the establishment of the California Department of Corrections and Rehabilitation (CDCR) for the purpose of providing comprehensive diagnostic, therapeutic, and rehabilitative services to minors residing in California as specified in Welfare and Institutions Code. In order for any County to place resident minors in a CDCR facility for court ordered 90-day observations and evaluations, said County must first have an annual contract executed with the CDCR.

The Board of Supervisors must adopt a resolution as defined in Welfare and Institutions Codes 1752.1, before the County may send minors to CDCR facilities for court ordered evaluations. The signing of the resolution does not obligate Placer County to place minors with the CDCR.

The placement of a minor into the CDCR is at the discretion of the Court and once ordered, the Probation Department is bound to act accordingly. These Court ordered evaluations are a budgeted expense of \$20,070 each to the County (A total of two (2) are budgeted). The Probation Department proposes using funds budgeted for Support and Care of Minors to cover the cost of the required CYA services.
