The Board of Supervisors is being asked once again to approve appropriations to help support the Auburn Host Lions Club *Annual Charity Golf Tournament*. The Auburn Host Lions Club formed in 1927 with the simple mission of a service organization whose top priority is to support programs for the blind and visually impaired and Lions International sight campaigns. The Lions Club represents over eighty years of community service that currently features such successful fund-raising efforts as the *Annual Charity Golf Tournament* being held at the Ridge Golf Course on May 23. This popular community event generates funds to support various Placer County charities and is Auburn Host Lions Club largest fund raising activity. The funds designated towards this popular event will help defray the cost of advertising, supplies and food.

Re: Contribution from Community Funds to Annual Charity Golf tourney

Dear Jim,

Our annual Charity Golf Tournament is being held on May 23, 2008. You have generously supported us in the past and we are hopeful to receive your support again this year.

The Golf tourney is our largest fund raiser and we provide money and services to a variety of groups and facilities most of whom are in Placer County. (List enclosed).

With the slow down in the local economy we are having difficulty in obtaining support for this year.

Would it be possible to receive \$500 this year??

Thanks again for your continued support. Feel free to call if there are any questions.
