## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to sign three contracts with Drake Haglan Associates, Inc. in a total aggregate amount of \$814,334 for Professional Services for the Bridge Replacement Projects on Brewer Road at Markham Ravine, a branch of Curry Creek, and King Slough and authorize the Director of Public Works to approve and sign contract amendments for additional professional services not to exceed an aggregate amount of \$80,000.

## BACKGROUND / SUMMARY

DPW is proposing to replace three existing bridges on Brewer Road at Markham Ravine, a branch of Curry Creek, and King Slough. The projects are being completed under the Federal Highway Bridge Program (HBP). The projects will replace the existing bridges which are deteriorating and do not meet current design standards. The replacement bridges and improved approaches will bring each bridge into compliance with current structural, geometric, and hydraulic guidelines.

Ten consultants submitted proposals in response to our RFP (Requests for Proposals). After evaluating the proposals and interviewing the top three consultants, Drake Haglan Associates, Inc. was the highest rated firm. This resolution authorizes the Chairman to sign three separate contracts with Drake Haglan Associates, Inc. for Professional Services as shown below for the total aggregate amount of \$814,334, and includes the authorization for the Director of Public Works to approve and sign amendments up to \$80,000.

Bridge Project	PSA No.	Contract Amount

Brewer Road at a branch of Curry Creek	1054	\$276,693
Brewer Road at King Slough	1055	\$265,176
Total Aggregate Amount:		\$814,334

## ENVIRONMENTAL

The Professional Services Agreement is exempt from CEQA pursuant to CEQA Guidelines, Section 15306.

## FISCAL IMPACT

The total aggregate cost of Professional Services for these projects is \$814,334. These projects are funded through the Federal HBP Program (88.53%) and County Road Fund (11.47%). There are sufficient funds available in the 2008/2009 Fiscal Year Budgets.
