

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: September 9, 2008
FROM: ^{sed} KEN GREHM / KEVIN ORDWAY
SUBJECT: **RIGHT-OF-WAY CONTRACT, GRANT DEED AND TEMPORARY
CONSTRUCTION EASEMENT FROM LURIE SAN FRANCISCO INC. –
SUNSET / 65 INTERCHANGE PROJECT**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution approving the Right-of-Way Contract and accept the Grant Deed and Temporary Construction Easement from Lurie San Francisco Inc. in the amount of \$64,224 for the Sunset / 65 Interchange Project.

BACKGROUND / SUMMARY

The Sunset / 65 Interchange Project, located on Sunset Boulevard and Highway 65, west and adjacent to the City of Rocklin, will replace the existing at-grade intersection with a grade-separated partial cloverleaf interchange with a six lane over-crossing. Right-of-Way for the project is required from four property owners, one of which, Lurie San Francisco Inc., owns the existing warehouse building at the south limit of the project, where the proposed southbound on-ramp is to be located. A retaining wall for this ramp is incorporated in the design to minimize right-of-way acquisition. A negotiated settlement with this property owner has been reached which includes 0.017 acres in fee title, 0.117 acres in temporary construction easement, and reimbursement to the property owner for replacement and modification of fencing and landscaping, survey costs, and miscellaneous property management expenses.

ENVIRONMENTAL CLEARANCE

The Placer County BOS approved the Mitigated Negative Declaration for this project and a Notice of Determination was filed on May 23, 2006.

FISCAL IMPACT

Construction and Right-of-Way Acquisition costs are funded by County Traffic Impact Fees and the Highway 65 Joint Powers Authority Impact Fees.
