All children deserve a place to play...

Imagine creating a fully-inclusive playground that stimulates sight, sound and imagination—right here in Roseville. Roseville is undertaking a funding drive to raise \$1.2 million to make this dream come true. Legends and Heroes is partnering with REACH—a City of Roseville employee and community giving program—to help raise money for this compassionate and innovative project.

Created in 2002, REACH has helped in providing housing for homeless women and children, family counseling services, music in the parks and schools, services for seniors, after school activities for at-risk youth, classes to build teen self-esteem, and technology for the special needs community.

Proceeds from this year's tournament will help develop universally accessible playgrounds in Roseville that will allow children with disabilities to play side-by-side with their able-bodied peers, creating the opportunity for children of all abilities to play and learn from each other. These play areas will also allow disabled parents to interact with their able-bodied children on the playground.

You can help bring the magic of play to all children. For more information on the tournament, please contact Woodcreek Golf Club. Phone: (916) 771-4662
