

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: December 09, 2008
FROM: KEN GREHM/^{JGD}KEVIN TABER
SUBJECT: ROAD MAINTENANCE DIVISION PORTABLE RADAR SPEED TRAILERS
FIXED ASSET REVISION

ACTION REQUESTED / RECOMMENDATION

Approve a revision to the Road Maintenance Division's list of Fixed Assets for the 08/09 budget by adding two portable radar speed trailers acquired from the Auburn-Folsom Road Widening Project to be used for traffic control in the Road Maintenance Division.

BACKGROUND / SUMMARY

The Engineering Division included the purchase of two radar speed trailers as part of a traffic control and safety change order on the South Phase of the Auburn Folsom Road Widening Construction Project. Purchasing the trailers was less expensive than renting them and will also provide the long term benefit for the safety of our Road Maintenance Crews. Teichert Construction owned and maintained the two portable radar speed trailers until they were no longer needed for the south phase project at which time they became the property of the County and need to be added to the fixed asset list.

ENVIRONMENTAL

The following action is not a project as defined by Public resources Code Section 21065, and is therefore exempt from environmental review under CEQA.

FISCAL IMPACT

None. These portable radar speed trailers have already been paid for under the Traffic Control and Safety portion of the South Phase of the Auburn Folsom Road Widening Project. The two radar speed trailers have a combined value of \$16,000 when new.
