SHERIFF-CORONER-MARSHAL

DEVON BELL
UNDER-SHERIFF

To: Board of Supervisors
Date: April 7, 2009
From: Edward N. Bonner, Sheriff-Coroner-Marshal
Subject: U.S. Forest Service Contract to Provide Law Enforcement

ACTION REQUESTED

Your Board's approval is requested for the annual contract adjustments - Exhibits A and B - between the Sheriff's Department and the U.S. Forest Service. The rates have been adjusted to reflect increases in salary and benefits. Authorization for the Sheriff-Coroner-Marshal to execute the contract documents is requested. The services include Visitor Protection Cooperative Patrol and Controlled Substances on Federal lands. The total contract available this year for reimbursement is \$32,000. The term of the contract is from the last signature date through September 30, 2009.

BACKGROUND

The Sheriff's Department has been contracting annually with the U.S. Forest Service to provide Visitor Protection (campground patrol) and controlled substance enforcement (narcotics investigations) in the Tahoe and El Dorado National Forests. Your Board approved a five-year master agreement for these services in April 2006 for a total annual amount for these services not-to-exceed \$22,000 each year. This year the Federal government carried over the allocation for controlled substance enforcement from last year for a total of \$10,000 for a revised annual contract for this year of \$32,000. The exhibits are updated annually to reflect the updated hourly rates billed. Essentially the amount of services is reduced each year proportionate to the increase realized in the law enforcement rates. The law enforcement rates include an hourly equivalent for overtime salary and benefits, equipment, training, administration overhead and vehicle use. The services covered under the exhibits will be billed at a rate of \$89.50. The services are typically provided between Memorial Day and continue into the fall. Your Board's approval for the updated contract exhibits is required.

FISCAL IMPACT

The reimbursements for this contract have been included in the current and upcoming budget. The actual reimbursement for Visitor Protection Services is allocated in the amount not-to-exceed \$22,000 and the amount allocated for Controlled Substances is \$10,000. These contracts are fulfilled using overtime after the service is provided. Except for the lag time from service delivery to receipt of reimbursement, there is no impact to the General Fund.

B. Reimbursement for all types of enforcement shall be at the following rates unless specifically stated otherwise: activities while doing work for the Forest Service

1. *Regular Deputies:* For the services provided in Section II, the Forest Service agrees to reimburse the COOPERATOR at a rate not to exceed \$89.50 per hour. (rate includes mileage)
2. *Reserve Deputies:* For the services provided in Section II, the Forest Service agrees to reimburse the COOPERATOR at a rate not to exceed \$89.50 per hour. (rate includes mileage)

C. COOPERATOR personnel assigned to duties in Section II, must be regular employees of the Placer County Sheriff's Office with at least POST certification to operate in a solo-officer capacity. The COOPERATOR'S assigned personnel will utilize the County's standard equipment and vehicle, or perform foot patrol, and will be in standard uniform at all times, unless otherwise requested by the Forest Service.

The assigned Deputy will possess a Forest Service radio and maintain communications with Grass Valley ECC Dispatch, including going in and out of service, at all times during the patrols.

Duties for that day or time period will be entirely Forest Service oriented and patrol the areas at the request of the Forest Service designated representative. The assigned Deputy should not generally be available for routine calls for service other than those at the request of the Forest Service. Since the billable period is an hour, any calls off National Forest land that result in absence for an hour or more, will be documented and will not be billable. Patrols should be conducted with a designated Forest Officer accompanying the Deputy, as available.

For each patrol shift, the Deputy will complete and turn in a Daily Field Activity Report (DFAR, FS 5300-26, attached). The Sheriff's Deputy will complete the report after each activity and give to the Forest Service designated representative bi weekly.

The COOPERATOR will complete and submit to the Forest Service the Forest Service Cooperative Law Enforcement Activity Report (FS 5300-5, attached) identifying the number of crimes occurring on NFS lands. The report shall follow the FBI Uniform Crime Reporting groupings, Part I and Part II offenses. Offenses and arrest information shall be combined and reported for each crime. This report shall separate the crimes handled under this agreement from those handled by the cooperator during regular duties. Both report forms are attached to this Exhibit and/or the Cooperative Agreement.

Each Forest Service designated representative will also provide the forms as needed.

The COOPERATOR may not be reimbursed for the services of personnel who are employed by the Forest Service in a law enforcement capacity and are also Reserve Officers of the COOPERATOR.

II. PATROL ACTIVITIES: Total reimbursement for this category shall not exceed \$22,000.00

Time schedules for patrols will be flexible to allow for emergencies, other priorities, and day-to-day needs of both the COOPERATOR and the Forest Service. The emphasis for patrols should focus on periods of higher visitor use such as Friday evenings, Saturday days, evenings, nights, and Sunday mornings, primarily between Memorial and Labor Day holiday weekends with potential extra emphasis on the Independence Day weekend, or as otherwise requested by the Forest Service. Actual work schedules will be negotiated between the designated representatives a minimum of 24 hours in advance. Ample time will be spent in each area to make residents and visitors aware that law enforcement officers are in the vicinity.

COOPERATOR agrees to make patrols through the campgrounds and areas of concentrated use, including but not limited to the high use areas, or as otherwise directed by the Forest Service.

LEO Laura Clarke is the Forest Service Representative for the following areas:

Granite Flat	Goose Meadows	Silver Creek	Truckee River
Pole Creek Road	Sawtooth Ridge Road	Barker Pass	Martis Peak Lookout,
Blackwood Canyon	William Kent	Kaspian	Chambers Landing
Sixty-four Acres.	McKinney/Rubicon OHV staging area,		

LEO Tom Madrigal is the Forest Service Representative for the following areas:

Forbes Creek	Shirttail	Giant Gap	Manzanita Day Use
China Wall Staging Area	North Fork Campground	Onion Valley	Tunnel Mills
Big Bend	Hampshire Rocks	French Meadows

PC Dennis Cullen is the Forest Service Representative for the Hell Hole Reservoir area:

Hell Hole Big Meadow Campgrounds

Patrols shall be conducted on a call when needed basis or as scheduled by the Forest Service designated representative.

When requested by the Forest Service designated representative, and as resources are available, the COOPERATOR will assist the Forest Service in conducting support activities related to the enforcement and investigation of violations of criminal law as they pertain to the mission of the Forest Service.

III. EQUIPMENT:

The Forest Service will loan those surplus items that will further the cooperative effort. These items are property, but in most cases will be expendable. The items will be tracked and accounted for by the Tahoe National Forest Patrol Captain. Items will be returned to the Forest Service when no longer needed and will report the damage or destruction of such property when applicable or no longer serviceable.

If any of these surplus items have original high value, serial numbers, sensitivity in storage, security or use, they will be loaned and accounted for on an amendment to this operating plan.

If the equipment is abused or neglected, as determined by the Forest Service, the COOPERATOR may be billed for the repairs or replacement of like equipment.

IV. SPECIAL ENFORCEMENT SITUATIONS:

A. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the Forest Service designated representative listed in Item 1A of this Operating Plan (Captain Barnett for the Tahoe National Forest and Captain Cullen for the Eldorado National Forest). The designated representative will then notify the COOPERATOR whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Operating Plan. Special Enforcement situations include, but are not limited to, large group events such as concerts, protests, fires, drug enforcement, etc.

B. Unforeseen Events

1. Unforeseen/Emergency Situations - When requested by a designated representative of the Forest Service, the COOPERATOR agrees to dispatch additional deputies within the work force capabilities to unforeseen or emergency situations or to support Forest Officers in their official capacities. (Forest Officer means an employee of the Forest Service).

Funding for these events will be provided using unexpended funds for the campground patrols as they relate to the situation. Total reimbursement for Section IV, may not exceed the total funding available under this operating plan.

2. Fire Camp Security - COOPERATOR may be requested to provide fire camp security. When requested for this kind of assignment by the Forest Service designated representative, the COOPERATOR will be reimbursed using fire fighting funds.

3. Cooperator will notify Grass Valley ECC Dispatch of all known search and rescues and/or injury/fatality incidents that occur on National Forest System lands as soon as possible.

V. BILLING FREQUENCY - For services requested in item II, and items agreed to under III and IV, reimbursement will be based upon itemized bills furnished monthly, along with certification that the services have been performed. Final billings for reimbursement must be received by the Forest Service before December 31, 2009.
