**WHEREAS**, the Project Approvals constitute the "Project" for purposes of the California Environmental Quality Act ("CEQA"--Public Resources Code sections 21000 et seq.) and CEQA Guidelines Sec. 15378 and these determinations of the Board, and

**WHEREAS**, a notice of preparation for an environmental impact report for the Project was prepared by the County and sent to the State Clearinghouse on or about September 2, 2005, and a revised notice of preparation was sent on or about July 28, 2006, (SCH No. 2005092041), and

**WHEREAS**, on January 25, 2008, the County released a draft environmental impact report ("DEIR") that was prepared for the Project under the direction of the County, and

**WHEREAS**, the DEIR was made available for public comment in accordance with CEQA from January 25, 2008, through March 10, 2008,

**WHEREAS**, the County received written comments on the DEIR, in response to which the County prepared and released a Final Environmental Impact Report on October 20, 2008, (the "FEIR") and

**WHEREAS**, the Board gave full and legal notice of a public hearing to consider and act upon the Project Approvals and the FEIR, which was held on March 10, 2009, and

**WHEREAS**, the Board has duly considered the FEIR for the Project, which consists of the DEIR and the Final EIR, the addendices thereto, the comments of the public, both oral and written, and all written materials in the record connected therewith, and is fully informed thereon,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF PLACER:**

(1) The FEIR has been prepared in accordance with all requirements of CEQA and the Guidelines.

(2) The FEIR was presented to and reviewed by the Board. The FEIR was prepared under supervision by the County and reflects the independent judgment of the County. The Board has reviewed the FEIR, and bases its findings on such review and other substantial evidence in the record.

(3) The Board hereby certifies the FEIR as complete, adequate and in full compliance with CEQA as a basis for considering and acting upon the Project Approvals and, exercising its independent judgment, makes the specific findings with respect thereto as set forth in Exhibit A, attached hereto and incorporated herein by reference.

(4) All mitigation measures proposed in the FEIR shall be implemented, and the Mitigation Monitoring and Reporting Plan ("MMRP") is adopted, and will implement all mitigation measures adopted with respect to the Plan pursuant to all of the Project Approvals. The MMRP is hereby incorporated into the Plan and thereby becomes part of and limitations upon the entitlements conferred by the Project Approvals.

**BE IT FURTHER RESOLVED:** That notwithstanding the imposition of the mitigation measures in the MMRP as set forth above, significant impacts of the Plan have not been reduced to a level of insignificance or eliminated by changes in the proposed Plan. The Board of Supervisors finds that the project will bring substantial benefits to the County and that the Plan's benefits outweigh the Plan's significant unmitigated adverse impacts and pursuant to CEQA Guidelines section 15093 adopts and makes the Statement of Overriding Considerations as set forth in Section XIII of Exhibit A, attached hereto and incorporated herein by reference, to explain why the Development's benefits override its unavoidable impacts. Having carefully considered the Plan, its impacts and the foregoing benefits, the Board of Supervisors finds, in light of the important social, economic and other benefits that the Plan will bring, the adverse environmental impacts of the Plan that are not fully mitigated are acceptable.

**BE IT FURTHER RESOLVED:** That the Planning Department is directed to file a Notice of Determination with the County Clerk within five (5) working days in accordance with Public Resources Code section 21152(a) and CEQA Guidelines section 15094.
