Subject: Re: WAC Membership

Hi Leslie,

After much consideration, I must regretfully request my removal from the WAC. At about the same time I agreed to join the committee, we had to lay off our employees and downsize to a new office location. I didn't realize how busy I would become manning a single-person office. In the future, if the economy and my situation changes, I would consider joining again. Again, please accept my apology and resignation.

Sincerely,

George Atteberry, P.E.
