

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**

Date: **MAY 26, 2009**

From: **JAMES DURFEE / ALBERT RICHIE**

Subject: **SIERRA JOINT COMMUNITY COLLEGE DISTRICT TENNIS COURTS  
REHABILITATION**

**ACTION REQUESTED / RECOMMENDATION:** It is recommended your Board take the following actions related to the Tennis Court Rehabilitation project at Sierra College in Rocklin:

1. Approve the attached Amendment No. 2 to Agreement No. 12134, between the County of Placer and Sierra Joint Community College District expanding the Scope of the Project to include installation of landscaping around the tennis courts and a public seating area; and
2. Authorize the Chairman to sign the Amendment.

**BACKGROUND:** On November 29, 2005, your Board approved Agreement No. 12134 between the County of Placer and the Sierra Joint Community College District (District) to provide \$34,125 of County Park Dedication Fees to assist the college in the construction of one new tennis court. On August 5, 2008, your Board approved Amendment No. 1 to Agreement No. 12134, authorizing the District to amend the scope of the project to rehabilitate the 5 existing tennis courts at Sierra College. That work has been completed and the costs were below the original cost estimate. The District is requesting authorization to use the remaining County Park Dedication Fees, in the amount of \$8,125, to complete the tennis court rehabilitation project by installing landscaping around the tennis courts and providing the public with a seating area.

The general public is allowed to play on the tennis courts whenever the college is not using them for organized classes and/or competitions. The District has constructed a new parking lot near the tennis courts to accommodate public use.

On July 12, 2005, the County Parks Commission recommended the allocation of \$34,125 of County Park Dedication Fees for a new tennis court at Sierra College. The Parks Commission has been kept apprised of the subsequent Amendments to this Project.

**ENVIRONMENTAL CLEARANCE:** This project is Categorically Exempt from the California Environmental Quality Act pursuant to Section 15301, Class 1, Existing Facilities.

**FISCAL IMPACT:** The funding for this project was previously approved by your Board for the District's use. This Amendment changes the Scope of Work only.
