MEMORANDUM

TO: Honorable Board of Supervisors

FROM: Wes Zicker, Director
Department of Engineering and Surveying, Community Development Resource Agency

DATE: July 21, 2009

SUBJECT: RENAMING OF PUBLIC ROADWAY – AGATAM AVENUE

ACTION REQUESTED:

Conduct a public hearing to approve the renaming of Agatam Avenue, a public roadway in Tahoe Vista, into two road segments, "West Agatam Avenue" and "East Agatam Avenue," with the split occurring at the intersection of Pino Avenue, and authorize the chairman to execute the attached resolution.

BACKGROUND:

The Addressing Division of the Engineering and Surveying Department received information from the Tahoe Assessor's Office regarding a duplicate address on Agatam Avenue. After research, it was discovered that there were multiple duplicate addresses on Agatam Avenue, and that the numbering was not in consistent sequential order. The emergency response (911 dispatch) and the local fire protection service providers were contacted and both agencies stated that there is a potential for an increase in emergency response time because of these issues. Attempting to remedy the situation, the Addressing Division balloted property owners along Agatam Avenue to vote on either a road name change or renumbering. Out of 66 potential responses, 47 chose the road name change and 9 chose renumbering.

Based on the results of the balloting, staff presented the road name change to the North Tahoe Regional Advisory Committee (NTRAC) on March 12, 2009. The NTRAC took action to recommend approval to the Board of Supervisors. The road name change was considered by the Planning Commission at their May 28, 2009 hearing and the Commission unanimously recommended that the Board of Supervisors approve the road name change.

ENVIRONMENTAL:

This is not a "project" as defined by CEQA and is therefore not subject to environmental review.

FISCAL IMPACT:

There is no fiscal impact for the renaming of existing public roads.

Respectfully submitted,

Wesley K. Zicker, P. E.
Director, Engineering and Surveying Department
